# ULFHEDNAR Support Pillow "Angle" Safety Instructions

## Introduction

Thank you for choosing the ULFHEDNAR Support Pillow "Angle." This product is designed to provide comfort and support during shooting activities. To ensure safe use and maximize the benefits of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the pillow is used in accordance with the manufacturer's instructions.
- Regularly inspect the pillow for any signs of wear or damage.
- Keep the pillow out of reach of children and vulnerable individuals when not in use.
- Do not use the pillow in a manner that is inconsistent with its intended purpose.
- If you experience any discomfort while using the pillow, discontinue use immediately.

## Specific Safety Precautions for Use

- **NonSlip Coating:** The nonslip coating on one side of the pillow is designed to enhance stability. Always position this side down when in use to prevent slipping.
- **Filling Material Adjustment:** The pillow allows for the addition or removal of filling material. Ensure that any adjustments are made carefully to avoid overfilling or underfilling, which may affect stability and comfort.
- **Weight Limit:** Be mindful of the weight limits associated with the pillow. Excessive weight can compromise its integrity and safety.
- **Surface Use:** Always use the pillow on a stable, flat surface to avoid accidents.
- **Avoid Extreme Conditions:** Do not expose the pillow to extreme temperatures or moisture, as this may damage the material and affect performance.

## Instructions for Installation and Usage

### 1. Unpacking the Pillow:

- Remove the pillow from its packaging carefully.
- Inspect the pillow for any visible damage or defects before use.

### 2. Adjusting the Filling:

- To add or remove filling, unzip the designated compartment.
- Add or remove filling material gradually until the desired firmness is achieved.
- Ensure the compartment is securely zipped after adjustments.

### 3. Using the Pillow:

- Place the pillow on a flat, stable surface with the nonslip side facing down.
- Position yourself comfortably on the pillow, ensuring it provides adequate support for your shooting posture.
- Maintain awareness of your surroundings while using the pillow.

### 4. PostUse Care:

- Clean the pillow as needed according to the care instructions provided by the manufacturer.

- Store the pillow in a dry place when not in use to prolong its lifespan.

## Disposal Instructions

- When the pillow reaches the end of its useful life, dispose of it responsibly.
- Check local regulations for guidance on the disposal of textile and foam materials.
- Consider recycling options where available to minimize environmental impact.
