ULFHEDNAR Heavy Duty Tripod with Panhead

Safety Instructions

Introduction

Thank you for choosing the ULFHEDNAR Heavy Duty Tripod with Panhead. This tripod is designed to support equipment weighing up to 40kg, making it a reliable choice for photographers, videographers, and outdoor enthusiasts. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the tripod before use to ensure it is in good condition.
- Do not exceed the maximum load capacity of 40kg.
- Use the tripod on stable and level surfaces to prevent tipping.
- Keep the tripod away from children and pets to avoid accidents.
- Avoid using the tripod in extreme weather conditions (e.g., high winds, heavy rain) that may compromise stability.
- Regularly check for loose parts and tighten them as necessary.
- Be cautious when adjusting the tripod legs and panhead to prevent pinching or injury.

Specific Safety Precautions for Use

- Ensure that all legs are fully extended and locked before placing any equipment on the tripod.
- Use the panhead lock to secure your camera or equipment in place before making any adjustments.
- When transporting the tripod, ensure that it is securely closed to prevent accidental opening.
- If using the tripod with heavy equipment, consider using a weight hook (if available) to add stability.
- Do not attempt to modify the tripod or use it for purposes other than intended.

Instructions for Installation and Usage

1. Setup:

- Remove the tripod from its carrying case.
- Extend the legs to your desired height by unlocking the leg locks and pulling the legs outwards. Lock them securely in place.
- Adjust the panhead to the desired angle by loosening the panhead adjustment knob, positioning your equipment, and then tightening the knob securely.

2. Attaching Equipment:

- Place your camera or other equipment onto the panhead.
- Secure the equipment using the quickrelease plate (if applicable) or by tightening the mounting screw.

3. Adjusting Position:

- To pan or tilt your equipment, loosen the respective knobs on the panhead.
- Make adjustments carefully and ensure all knobs are tightened once the desired position is achieved.

4. Storing the Tripod:

- After use, remove all equipment from the tripod.
- Collapse the legs by unlocking the leg locks and pushing the legs back into the body of the tripod.
- Store the tripod in a dry place away from direct sunlight and extreme temperatures.

Disposal Instructions

- When the tripod has reached the end of its life, dispose of it in accordance with local regulations for electronic waste.
- Do not dispose of the tripod in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or to report unsafe products, please reach out to the designated EU contact point or consult the EU Safety Gate platform for the latest updates on product safety and recalls.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your ULFHEDNAR Heavy Duty Tripod with Panhead!
