

# Source 90 Drink Tube with Storm Bite Valve - Black

[Emergency & Survival Gear](#) > [Water & Hydration](#) > [Water Accessories](#)

Designed and built exclusively for IcePlate Curve, the Source 90 is the result of an exciting collaboration between Qore Performance and Source. This custom tube combines Source's best-in class Helix Bite Valve drink tube with a 90 Degree Hard Elbow Qore Performance created specifically for use with IceCap on the IcePlate Curve. The male QD on the Source 90 is cross-compatible with all other Qore Performance IcePlate generations and Source Hydration products.

# QORE PERFORMANCE, INC. Source 90 Drink Tube with Storm Bite Valve Safety Instruction Guide

## Introduction

Thank you for choosing the QORE PERFORMANCE, INC. Source 90 Drink Tube with Storm Bite Valve. This product is designed to enhance your hydration experience while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

To ensure the safe use of your Source 90 Drink Tube, please adhere to the following guidelines:

- Always inspect the drink tube and valve for any signs of damage before use.
- Do not use the product if it is damaged or leaking.
- Keep the product away from heat sources and sharp objects.
- Ensure that the drink tube is compatible with your hydration system before use.
- Store the drink tube in a cool, dry place when not in use.
- Follow all manufacturer instructions regarding cleaning and maintenance.

## Specific Safety Precautions for Use

When using the Source 90 Drink Tube, please observe the following precautions:

- **Compatibility:** Ensure the male Quick Disconnect (QD) is compatible with your IcePlate generation and Source Hydration products.
- **Children:** This product is not intended for use by children under the age of 12 without adult supervision.
- **Hydration:** Do not use the drink tube for any liquids other than water or approved hydration solutions.
- **Cleaning:** Regularly clean the drink tube and valve to prevent mold and bacteria growth.
- **Temperature:** Avoid exposing the drink tube to extreme temperatures as this may affect its performance.

## Instructions for Installation and Usage

Follow these steps to install and use your Source 90 Drink Tube:

### 1. Installation:

- Remove the Source 90 Drink Tube from the packaging.
- Ensure that all components are present and undamaged.
- Connect the male QD of the drink tube to the corresponding female connector on your hydration system.
- Ensure the connection is secure and leakfree.

### 2. Usage:

- Fill your hydration system with water or an approved hydration solution.
- Open the Storm Bite Valve by biting down gently on the valve while sucking to allow liquid to flow.
- To stop the flow, release your bite on the valve.
- After use, ensure the valve is closed to prevent leaks.

## **Disposal Instructions**

When disposing of your Source 90 Drink Tube, please follow these guidelines:

- Dispose of the product in accordance with local regulations.
- Do not throw the product in regular household waste.
- Consider recycling components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your Source 90 Drink Tube, please contact the manufacturer or refer to the product packaging for further instructions.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of the QORE PERFORMANCE, INC. Source 90 Drink Tube with Storm Bite Valve. Thank you for choosing our product, and stay hydrated!
