Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are being used by sport shooters and special forces all over the USA.

And should your phone ring sometime while wearing the gloves, that's no problem! – the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design – no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control of the trigger.
- Very flat velcro fastener on the inside, so you won't get stuck somewhere.
- Flex-Insoles on the back of the fingers – two on the triggerfinger – ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and indexfinger.

## Important notice:

**The gloves are very tightly cut, but will adapt to the hand of its wearer. We recommend you to wear the gloves a little in everyday life before shooting, so they fit you perfectly.**

**Please take a look at the size chart for PIG gloves sizes!**

# PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Coyote Safety Instructions

## Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Coyote. This product is designed for tactical shooting and is made from highquality materials to ensure comfort and flexibility. However, it is important to follow safety guidelines to ensure a safe and effective experience while using these gloves.

## General Safety Guidelines

- Always inspect the gloves for any damage before use. Do not use if there are any visible defects.
- Ensure that the gloves fit properly. The gloves are designed to adapt to the wearer's hand over time but should be snug without being overly tight.
- Keep the gloves away from fire, sharp objects, and extreme temperatures to prevent damage.
- Do not use the gloves in wet conditions unless they are specifically designed for such use, as moisture can reduce grip and dexterity.
- Be aware of your surroundings while using the gloves, especially when handling firearms or other equipment.

## Specific Safety Precautions for Use

- The gloves are designed for tactical shooting. Ensure you are familiar with proper shooting techniques before use.
- The fingertips of the gloves are made from touchscreencompatible material. Use caution when using touchscreen devices to avoid distraction.
- The gloves have a very thin material on the tip of the trigger finger for better control. Practice safe handling of firearms at all times.
- Avoid using the gloves for tasks that require high levels of grip or dexterity that exceed their intended use.
- If you experience any discomfort or restricted movement while wearing the gloves, remove them immediately and consult the size chart to ensure proper fit.

## Instructions for Installation and Usage

- Before wearing the gloves, ensure your hands are clean and dry.
- Carefully slide your hands into the gloves, ensuring that each finger fits snugly into its respective slot.
- Adjust the velcro fastener on the inside of the wrist to achieve a secure fit without restricting blood flow.
- For optimal performance, wear the gloves for a short period in everyday situations before using them for tactical shooting.
- If you need to hang the gloves, utilize the paracord loop for convenience.

## Disposal Instructions

- When the gloves reach the end of their useful life or are damaged beyond repair, dispose of them in accordance with local waste disposal regulations.
- Do not dispose of the gloves in a manner that could pose a risk to the environment or public safety.
