

# **PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam Black - SKD TACTICAL PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam Black - S**

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are used by sport shooters and special forces all over the USA.

And should your phone ring while wearing the gloves, that's no problem! - the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

NO IMAGE  
AVAILABLE

The most important features:

- Single Layer Design - no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control.
- Very flat velcro fastener on the inside, no chance of snagging.
- Flex-Pads on the back of the fingers - two on the trigger finger - ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and index finger.

## **Important notice:**

**The gloves are very tightly cut, but will adapt to the hand of the wearer. We recommend you wear the gloves in before shooting, so they fit you perfectly.**

**Please take a look at the size chart for PIG gloves sizes!**

# PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Black Safety Instruction Guide

## Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Black. This guide provides essential safety instructions to ensure your safe and effective use of the gloves. By following these guidelines, you can maximize the performance of the gloves while minimizing potential risks.

## General Safety Guidelines

- **Product Safety:** These gloves are designed for tactical shooting and should be used in accordance with the intended purpose. Ensure that you are familiar with the features and limitations of the gloves.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check updates from relevant authorities.
- **Online Shopping:** If you purchased these gloves online, ensure that the retailer complies with safety requirements and provides clear product information.
- **Special Consumer Focus:** These gloves are designed for adult users. Keep them out of reach of children to prevent misuse or accidents.
- **EU Contact Point:** For any safety inquiries regarding the gloves, please refer to the manufacturer's contact information provided with your purchase.
- **Rapid Alerts:** Be aware of any safety alerts or updates regarding this product through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Fitting:** The gloves are designed to fit snugly. It is recommended to wear the gloves for a period before engaging in shooting activities to ensure they conform to your hands.
- **Touchscreen Compatibility:** The gloves feature touchscreen-compatible fingertips. Ensure that the gloves are clean and dry for optimal touchscreen performance.
- **Grip and Control:** The single-layer design provides enhanced grip. However, ensure that your hands are dry to maintain control during use.
- **Avoid Snagging:** Be cautious of the velcro fastener on the inside of the gloves to prevent snagging on clothing or equipment.
- **Wear and Tear:** Regularly inspect the gloves for signs of wear or damage. Replace them if you notice any significant deterioration that may compromise safety.

## Instructions for Installation and Usage

### • Wearing the Gloves:

- Ensure your hands are clean and dry before putting on the gloves.
- Slide your fingers into the glove, ensuring a snug fit without excessive tightness.
- Adjust the velcro fastener on the wrist for a secure fit.

### • Using the Gloves:

- Use the gloves for their intended purpose, primarily tactical shooting and related activities.
- When using touchscreens, gently tap the screen with the compatible fingertips for best results.
- Avoid using the gloves in environments where they may be exposed to hazardous materials or extreme conditions that could compromise their integrity.

### • Caring for the Gloves:

- Clean the gloves with a damp cloth to remove dirt and debris.
- Do not machine wash or tumble dry the gloves, as this may damage the material.
- Store the gloves in a cool, dry place away from direct sunlight when not in use.

## **Disposal Instructions**

- When the gloves reach the end of their useful life, dispose of them responsibly.
- Check local regulations for proper disposal methods of textile products.
- If the gloves are damaged beyond repair, consider recycling the materials if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding safety, usage, or maintenance of your PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Black, please refer to the manufacturer's contact information provided with your purchase.

By adhering to these safety instructions, you can ensure a safe and effective experience with your PIG FDT Alpha Touch Gloves. Thank you for your attention to these important guidelines.
