

PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam Black - SKD TACTICAL PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam Black - M

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are used by sport shooters and special forces all over the USA.

And should your phone ring while wearing the gloves, that's no problem! – the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design – no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control.
- Very flat velcro fastener on the inside, no chance of snagging.
- Flex-Pads on the back of the fingers – two on the trigger finger – ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and index finger.

Important notice:

The gloves are very tightly cut, but will adapt to the hand of its wearer. We recommend you wear the gloves in before shooting, so they fit you perfectly.

Please take a look at the size chart for PIG gloves sizes!

PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Black Safety Instruction Guide

Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Black. This guide provides important safety instructions to ensure safe use and maintenance of your gloves. Please read this document carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always inspect the gloves before use. Look for any signs of wear, damage, or defects.
- Ensure that the gloves fit properly. A tight fit is normal, but if they feel excessively restrictive, consider trying a different size.
- Avoid using the gloves in environments where they may become contaminated with hazardous materials.
- Keep the gloves away from open flames or extreme heat sources.
- If you experience any discomfort, remove the gloves immediately and consult with a professional if necessary.
- Store the gloves in a cool, dry place away from direct sunlight when not in use.

Specific Safety Precautions for Use

- The gloves are designed for tactical shooting and should be used in appropriate environments.
- Be cautious when handling sharp objects or equipment while wearing the gloves, as they may not provide complete protection against cuts or punctures.
- When using electronic devices with touchscreen compatibility, ensure that the gloves are dry to maintain functionality.
- Avoid using the gloves in wet conditions, as moisture can affect grip and dexterity.
- Do not use the gloves as a substitute for personal protective equipment (PPE) in hazardous environments.

Instructions for Installation and Usage

1. Wearing the Gloves:

- Slip your hand into the glove, ensuring that your fingers fit snugly into each finger compartment.
- Adjust the gloves to ensure a comfortable fit without excessive tightness.

2. Using the Touchscreen Feature:

- The thumb and index finger are made of touchscreen-compatible material. Ensure that these areas are clean and dry for optimal performance.
- Test the touchscreen functionality before relying on it during critical tasks.

3. Care and Maintenance:

- Clean the gloves regularly to maintain hygiene and performance.
- Hand wash the gloves with mild soap and water. Do not machine wash or tumble dry.
- Allow the gloves to air dry completely before storing them.

Disposal Instructions

- Dispose of the gloves in accordance with local regulations.
- If the gloves are damaged beyond repair, consider recycling them if possible. Check with local recycling

facilities for options.
