

PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam Black - SKD TACTICAL PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam Black - L

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are used by sport shooters and special forces all over the USA.

And should your phone ring while wearing the gloves, that's no problem! – the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design – no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control.
- Very flat velcro fastener on the inside, no chance of snagging.
- Flex-Pads on the back of the fingers – two on the trigger finger – ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and index finger.

Important notice:

The gloves are very tightly cut, but will adapt to the hand of its wearer. We recommend you wear the gloves in before shooting, so they fit you perfectly.

Please take a look at the size chart for PIG gloves sizes!

PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Black Safety Instruction Guide

Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Black. This guide provides important safety information to ensure the safe and effective use of your gloves. Please read and follow these instructions carefully to maximize your safety and the longevity of the product.

General Safety Guidelines

- Ensure that the gloves fit properly. The gloves are designed to be tightly cut and will adapt to the hand of the wearer over time.
- Always inspect the gloves before use for any signs of wear or damage.
- Store the gloves in a cool, dry place away from direct sunlight to prevent material degradation.
- Use the gloves only for their intended purpose, which is tactical shooting and related activities.
- Keep the gloves away from fire and extreme heat sources to avoid material melting or burning.
- Do not use the gloves if you are allergic to any of the materials used in their construction.

Specific Safety Precautions for Use

- The gloves are designed with a single layer in the palm area for better grip; however, be cautious when handling sharp or heavy objects.
- The fingertips are made of touchscreencompatible material; avoid excessive force on these areas to maintain functionality.
- The Velcro fastener is designed to be flat and secure; ensure it is properly adjusted to avoid snagging on other materials.
- The gloves feature FlexPads on the back of the fingers for unrestricted movement; however, do not overstretch the material.
- If using the gloves in a tactical environment, ensure they do not hinder your ability to operate firearms or other equipment safely.

Instructions for Installation and Usage

1. Wearing the Gloves:

- Slide your hands into the gloves, ensuring that the fingers fit snugly into the corresponding finger sections.
- Adjust the Velcro fastener on the wrist for a secure fit without restricting blood flow.

2. Using Touchscreen Features:

- To use your device while wearing the gloves, ensure that the touchscreen areas (thumb and index finger) are clean and free from debris.
- Tap gently on the screen to ensure proper functionality.

3. Care and Maintenance:

- Clean the gloves by wiping them with a damp cloth. Do not machine wash or dry them, as this may damage the materials.
- Allow the gloves to air dry completely before storing them.

Disposal Instructions

- When the gloves reach the end of their usable life, dispose of them in accordance with local waste disposal regulations.
- If the gloves are damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the product packaging or user manual for contact details of your local distributor or retailer.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your PIG Full Dexterity Tactical (FDT) Alpha Touch Gloves. Always prioritize safety and proper usage to enjoy the full benefits of this highquality product.
