

PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam Black - SKD TACTICAL PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam Black - XL

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are used by sport shooters and special forces all over the USA.

And should your phone ring while wearing the gloves, that's no problem! – the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design – no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control.
- Very flat velcro fastener on the inside, no chance of snagging.
- Flex-Pads on the back of the fingers – two on the trigger finger – ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and index finger.

Important notice:

The gloves are very tightly cut, but will adapt to the hand of its wearer. We recommend you wear the gloves in before shooting, so they fit you perfectly.

Please take a look at the size chart for PIG gloves sizes!

PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Black Safety Instructions

Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Black. These gloves are designed for tactical shooting and provide enhanced dexterity and comfort. To ensure safe use and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the gloves fit properly before use. They are designed to be tightly cut but will adapt to your hands over time.
- Inspect the gloves for any signs of wear or damage before each use. Do not use if damaged.
- Keep the gloves away from sharp objects and extreme heat to prevent damage.
- Use the gloves only for their intended purpose. They are designed for tactical shooting and not for other activities that may pose risks.
- If you experience any discomfort or allergic reactions while wearing the gloves, remove them immediately and consult a medical professional if necessary.

Specific Safety Precautions for Use

- The gloves feature touchscreencompatible fingertips. However, avoid exposing them to extreme temperatures or liquids, as this may affect their functionality.
- When using the gloves in environments where visibility is limited, ensure that your movements are deliberate and controlled to avoid accidents.
- Avoid using the gloves in situations where a high level of grip is necessary, such as handling heavy or slippery objects.
- Keep the gloves clean and dry to maintain their performance. Follow the care instructions provided.

Instructions for Installation and Usage

1. Wearing the Gloves:

- Slide your hands into the gloves, ensuring that all fingers are properly inserted.
- Adjust the velcro fastener on the inside for a snug fit without restricting movement.

2. Using the Touchscreen Feature:

- Use the thumb and index finger to interact with your touchscreen device.
- Ensure that the gloves are clean and dry for optimal touchscreen responsiveness.

3. Care and Maintenance:

- Clean the gloves with a damp cloth to remove dirt and debris.
- Allow the gloves to air dry completely before storing them.
- Do not machine wash or tumble dry the gloves, as this may damage the materials.

Disposal Instructions

- When the gloves reach the end of their life cycle, dispose of them in accordance with local waste disposal regulations.
- Do not incinerate the gloves, as this may release harmful substances into the environment.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please contact the manufacturer or your point of purchase. They will provide the necessary support and guidance.

Conclusion

By following these safety instructions, you can ensure the safe use and longevity of your PIG Full Dexterity Tactical (FDT) Alpha Touch Gloves. Thank you for your attention to these important guidelines, and enjoy your experience with our product.
