

Magazine Coupler for Magpul AR-10 M3 PMAGs

[Magazines](#) > [Rifle Magazines](#) > [Magazine Couplers & Holders](#)

Double up instead of limiting yourself!

Many shooters prefer to use a 30-round magazine, but are not allowed to use it due to various requirements or regulations.

The new magazine couplers from RJK Ventures now offer a practical alternative to the limited 30-round magazines.

So any two Magpul PMAGs can be connected with this coupler; Two 10-round magazines are very similar in handling to the usual 30-round magazines and make reloading much easier.

NO IMAGE
AVAILABLE

The magazine couplers meet the high quality standard of Magpul PMAGs and are made of the same solid nylon. Assembly is quick and easy and connects the magazines reliably and without play.

Fits:

AR 10 MAGPUL® PMAG® LR/SR GEN M3™
.223 / 5.56x45mm

US Patent No. 10126076

RJK VENTURES Magazine Coupler Safety Instructions

Introduction

Thank you for purchasing the RJK VENTURES Magazine Coupler for Magpul AR10 M3 PMAGs. This product is designed to enhance your shooting experience by allowing two magazines to be connected, making reloading easier and more efficient. Please read this safety instruction guide carefully to ensure safe and proper use of the magazine coupler.

General Safety Guidelines

- Always ensure that the magazine coupler is used in accordance with local laws and regulations regarding firearm accessories.
- Inspect the magazine coupler before each use for any signs of damage or wear. Do not use if damaged.
- Keep the magazine coupler out of reach of children and unauthorized users.
- Use the coupler only with compatible magazines (Magpul AR10 M3 PMAGs).
- Follow all firearm safety practices when using firearms and magazines.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the magazine coupler.
- Do not exceed the recommended magazine capacity when using the coupler.
- Avoid using the magazine coupler in adverse weather conditions that may affect its performance.
- Do not attempt to modify or alter the magazine coupler in any way.
- Always store the magazine coupler in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that both magazines are empty and clean.
- Check the magazine coupler for any signs of damage.

2. Connecting the Magazines:

- Align the two Magpul PMAGs so that the coupling ends are facing each other.
- Slide the magazine coupler onto the coupling ends of the magazines until it is securely in place.
- Ensure that the magazines are firmly connected and that there is no play between them.

3. Using the Coupled Magazines:

- Insert the coupled magazines into the firearm as you would with a single magazine.
- Follow all standard firearm handling and safety procedures during operation.

4. Detaching the Magazines:

- When finished, remove the coupled magazines from the firearm.
- Slide the magazine coupler off the magazines by pulling it away from the coupling ends.
- Store the magazines and coupler in a safe location.

Disposal Instructions

- Dispose of the magazine coupler in accordance with local regulations regarding plastic waste.
- Do not throw the coupler in fire or expose it to extreme heat, as this may cause it to deform or release harmful substances.

Contact Information for Further Support

For any safety inquiries or further support regarding the RJK VENTURES Magazine Coupler, please contact the manufacturer directly. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RJK VENTURES Magazine Coupler. Always prioritize safety and compliance with local laws during use. Thank you for choosing RJK VENTURES!
