

Saiga - 9mm Luger Magazine 20 rounds, translucent

[Magazines](#) > [Rifle Magazines](#)

The magazine is designed for 20 rounds, but it can be reduced to 10. For this purpose it is enough to reduce the case under the ledge intended for installation of the back cover.

In addition to the rough surface, the outer walls are covered with a tread pattern, which does not lead to slipping in the hands. The magazine is not difficult to disassemble. Sunk in the release button of the back cover, you can easily remove it and get access for cleaning and maintenance.

The transparent design allow you to control the number of remaining cartridges.

PUFGUN Saiga 9MM Luger Magazine 20 Rounds

Safety Instruction Guide

Introduction

Thank you for choosing the PUGUN Saiga 9mm Luger Magazine. This guide provides essential safety information and instructions for the proper use, installation, and disposal of your magazine. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Always handle the magazine with care, treating it as a firearm accessory.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine before use to ensure it is in good condition and free from damage.
- Do not modify the magazine in any way that could affect its performance or safety.
- Always follow local laws and regulations regarding the use and possession of firearm accessories.

Specific Safety Precautions for Use

- Ensure that the magazine is empty before disassembly or cleaning.
- Avoid exposing the magazine to extreme temperatures, moisture, or chemicals that may damage it.
- When loading the magazine, do so in a safe environment, away from unauthorized persons.
- Do not exceed the magazine's capacity limit of 20 rounds unless reduced to 10 rounds as per the guidelines.
- Always verify that the magazine is properly seated in the firearm before use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until you hear a click, indicating it is locked in.

2. Loading the Magazine:

- To load the magazine, press the follower down with your thumb.
- Insert the cartridges one by one, ensuring they are oriented correctly.
- Avoid overloading the magazine; do not exceed the maximum capacity of 20 rounds unless modified to 10 rounds.

3. Disassembly for Cleaning:

- Ensure the magazine is empty.
- Locate the release button on the back cover of the magazine.
- Press the release button to detach the back cover.
- Remove the follower and clean all parts with a suitable solvent.
- Reassemble the magazine by reversing the disassembly steps.

4. Monitoring Cartridge Levels:

- The transparent design allows you to easily check the number of remaining cartridges.
- Regularly check the magazine to ensure it is not overloaded or damaged.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding firearm accessories.
- Do not discard the magazine in regular household waste.
- If the magazine is damaged or no longer functional, consider contacting a local firearms dealer for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the appropriate EU contact point or local authorities. Ensure you stay informed about any product recalls or safety alerts through the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Your safety is our priority.
