MDT LSSXL Gen 2 Carbine Stock Chassis System

Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Savage rifle. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this manual thoroughly before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MDT LSSXL Gen 2 Carbine Stock Chassis System to avoid any potential hazards.
- **Enhanced Recalls:** Stay informed about product recalls through official channels; remedies will be provided for any dangerous products.
- **Online Shopping:** Ensure that your purchase is made from a reputable source that complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when the product is used around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products via the Safety Gate system.

Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installation or adjustment of the chassis system.
- Use only AICStype detachable magazines as specified.
- Ensure that the installation area is free from distractions and hazards.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Keep the product out of reach of children and unauthorized users.
- Regularly check the chassis system for any signs of wear or damage before use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components, including the chassis system, AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
- Ensure the work area is clean and welllit.

2. Installation Steps:

- **Remove the Existing Stock:**
 - Ensure the rifle is unloaded.
 - Detach the existing stock from the rifle according to the manufacturer's instructions.
- **Install the Chassis System:**
 - Align the MDT LSSXL Gen 2 Chassis with the rifle's action.
 - Securely attach the chassis using the provided screws and tools.
- **Attach the Buttstock:**
 - Install the AR carbinestyle buttstock onto the buffer tube.
 - Secure the buttstock with the castle nut, ensuring it is tightened to prevent movement.
- **Install the Pistol Grip:**
 - Attach the pistol grip to the chassis, ensuring it is secure.

- **Final Checks:**

- Inspect all connections and ensure everything is tightened properly.
- Test the fit of the AICStype detachable magazine for proper function.

3. **Usage Guidelines:**

- Always follow safe handling practices when using the rifle.
- Regularly inspect the chassis and components for any signs of wear or damage.
- Store the rifle securely when not in use, ensuring it is inaccessible to unauthorized users.

Disposal Instructions

- Dispose of the MDT LSSXL Gen 2 Carbine Stock Chassis System in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the designated EU contact point for assistance.

Thank you for prioritizing safety and compliance while using your MDT LSSXL Gen 2 Carbine Stock Chassis System. Enjoy your shooting experience responsibly!
