# MDT LSSXL Gen 2 Carbine Stock Chassis System

## Safety Instruction Guide

### Introduction

Thank you for purchasing the MDT LSSXL Gen 2 Carbine Stock Chassis System for Savage rifles. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this guide carefully before installation and use.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and components with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Use only compatible components as specified in the product description.
- Always ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Use appropriate protective gear (e.g., safety glasses and ear protection) when handling firearms.
- Be aware of the surrounding environment and ensure that it is safe to operate the firearm.
- Follow all local laws and regulations regarding firearm ownership and use.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation

- Ensure you have all necessary components: chassis system, AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
- Gather required tools: a wrench, screwdriver, and any other tools specified in the product manual.

#### 2. Remove Existing Stock

- Unload the firearm completely.
- Remove the existing stock from the Savage rifle by loosening the screws or bolts that secure it.

#### 3. Attach the Chassis System

- Align the MDT LSSXL Gen 2 chassis system with the rifle's action.
- Secure the chassis to the rifle using the screws or bolts provided with the product.

#### 4. Install the Buttstock and Buffer Tube

- Attach the buffer tube to the rear of the chassis system.
- Secure the AR carbinestyle buttstock to the buffer tube.
- Tighten the castle nut to ensure stability.

#### 5. Attach the Pistol Grip

- Install the pistol grip onto the chassis system.
- Ensure it is securely fastened.

## **6. Final Inspection**

- Check all connections and ensure everything is securely attached.
- Perform a final inspection to ensure no parts are loose or missing.

## **Usage Instructions**

- Always confirm that the firearm is unloaded before any use.
- Familiarize yourself with the operation of the chassis system and any new components.
- Practice safe shooting habits and follow all local regulations regarding firearm use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's contact information provided with your product. Always ensure you are seeking assistance from authorized sources.

Thank you for your attention to these safety guidelines. Enjoy your new MDT LSSXL Gen 2 Carbine Stock Chassis System responsibly and safely.
