MDT LSSXL Gen 2 Carbine Stock Chassis System

Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System. This product is designed to enhance the functionality and comfort of your Savage 110, 111, 112, and 116 rifles. Please read and follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the chassis system and firearm securely when not in use.
- Use only AICStype detachable magazines compatible with your chassis system.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect the chassis system for any signs of wear or damage before use.

Specific Safety Precautions for Use

- Ensure that the chassis system is installed correctly before use.
- Do not attempt to modify or alter the chassis system in any way.
- Use only AR carbinestyle buttstocks and buffer tubes that are compatible with the chassis system.
- Always use the appropriate castle nut and pistol grip as recommended.
- If you notice any unusual sounds or malfunctions while using the chassis system, cease use immediately and inspect for issues.
- Keep the chassis system away from children and unauthorized users.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure that the firearm is unloaded and safe to handle.
- Remove the existing stock from your Savage rifle.
- Attach the MDT LSSXL Gen 2 chassis system to the action of the rifle.
- Securely fasten the chassis using the provided hardware.
- Install the AR carbinestyle buttstock and buffer tube according to the manufacturer's instructions.
- Attach the castle nut and pistol grip as needed.

2. Usage Instructions:

- After installation, check that all components are secure and functioning properly.
- Load the rifle using AICStype detachable magazines.
- Always perform a function check to ensure the firearm operates correctly with the new chassis system.
- Follow all standard firearm safety practices when handling and firing the rifle.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- If the chassis system is damaged or no longer usable, consider recycling the aluminum material where facilities are available.

- Ensure that all components are disposed of safely to prevent any hazards.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with the product packaging. It is important to have access to a reliable source for any questions or concerns related to the MDT LSSXL Gen 2 Carbine Stock Chassis System.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Carbine Stock Chassis System. Please remember to always prioritize safety when handling firearms and related accessories.
