# MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Savage rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition separately and securely.
- Be aware of your surroundings and ensure the area is clear of unauthorized individuals.
- Use appropriate protective gear, such as eye and ear protection, when handling firearms.
- Regularly inspect your chassis system for any signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure that the MDT LSSXL Gen 2 Chassis System is compatible with your specific Savage model (110, 111, 112, 116).
- Only use AICStyle detachable magazines with this chassis system.
- Always follow the manufacturer's instructions for installation and use.
- Do not attempt to modify the chassis system in any way that could affect its performance or safety.
- Ensure that the castle nut and pistol grip are securely installed before use.
- Do not use the chassis system if you notice any defects or irregularities.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a wrench for the castle nut.
2. **Remove the Old Stock:** Carefully detach the existing stock from your Savage rifle, following the manufacturer's instructions.
3. **Attach the Chassis System:**
  - Align the MDT LSSXL Gen 2 Chassis System with the rifle's action.
  - Securely fasten the chassis to the action using the appropriate screws.
4. **Install the Castle Nut:**
  - Thread the castle nut onto the buffer tube and tighten it securely.
5. **Attach the Pistol Grip:**
  - Position the pistol grip on the chassis and secure it according to the manufacturer's instructions.
6. **Install the Buttstock:**
  - Attach the AR carbinestyle buttstock to the buffer tube and adjust it to your preferred length of pull.
7. **Check Stability:**
  - Ensure all components are securely fastened and check for stability before use.

### Usage Guidelines

- Load the rifle only when you are ready to shoot.
- Always check that the safety is engaged before loading or unloading the rifle.

- Practice safe handling and shooting techniques at all times.
- Clean and maintain the chassis system regularly to ensure optimal performance.

## Disposal Instructions

- Dispose of the MDT LSSXL Gen 2 Chassis System in accordance with local regulations.
- If the chassis system is damaged or no longer usable, do not attempt to repair it. Instead, contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or contact their customer support team for assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Carbine Stock Chassis System. Always prioritize safety and responsible handling practices. Thank you for your attention to these important safety measures.
