

# **CLEANING ROD FUN-LINE SPORT, ALUMINIUM ALLOY (EXTERNAL THREAD 1/8") - FOR CAL. .22-6.5MM - Cleaning Rod, 910mm - Fun-Line Sport, Aluminum Alloy (external thread 1/8") - Cal. .22-6.5mm**

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The cleaning rods are made of stainless steel (Power-Line Profi) or a lighter aluminum alloy (Fun-Line Sport) with a non-slip and ergonomic polyamide handle. This contains two maintenance-free and smooth-running ball bearings, so that the VFG barrel cleaner screwed onto the adapter can follow the movements during the cleaning process.

Depending on the application, we recommend the 1- or 3-part cleaning rod. The advantage of the one-piece design is the stability - the three-piece impresses with its compact design, e.g. on the go. The three-part design can be used universally for long and short weapons and therefore offers an additional benefit.

# Safety Instruction Guide for CLEANING ROD FUNLINE SPORT, ALUMINIUM ALLOY

## Introduction

Thank you for choosing the CLEANING ROD FUNLINE SPORT, ALUMINIUM ALLOY. This guide provides important safety instructions to ensure safe use and maintenance of your cleaning rod. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose, which is to clean firearms with calibers .22 to 6.5mm.
- Always inspect the cleaning rod for any damage before use. Do not use if damaged.
- Keep the cleaning rod out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the cleaning and maintenance of firearms.
- Be aware of your surroundings when cleaning your firearm to avoid accidents.

## Specific Safety Precautions for Use

- Use the cleaning rod in a wellventilated area to avoid inhaling any cleaning agents or residues.
- Always wear safety glasses to protect your eyes from potential debris.
- Do not force the cleaning rod if it becomes stuck; gently remove it and inspect for obstructions.
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning rod.
- Store the cleaning rod in a safe place after use to prevent accidents and damage.

## Instructions for Installation and Usage

### 1. Preparing for Use

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials, including cleaning agents, patches, and the cleaning rod.

### 2. Attaching the Adapter

- Screw the adapter with the M5 external and 1/8" internal thread onto the cleaning rod securely.

### 3. Using the Cleaning Rod

- Insert the cleaning rod into the barrel of the firearm gently.
- Attach the VFG barrel cleaner securely to the adapter.
- Move the cleaning rod back and forth smoothly to clean the barrel. Avoid using excessive force.

### 4. PostCleaning

- Remove the cleaning rod and adapter from the firearm.
- Clean the cleaning rod with a suitable cleaning agent.
- Store the cleaning rod in a dry place, away from moisture.

## Disposal Instructions

- Dispose of any cleaning agents and cleaning patches according to local regulations.
- When disposing of the cleaning rod, check local recycling guidelines for metal products.

- Do not dispose of the cleaning rod in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the product packaging or visit the manufacturer's website. It is important to have a point of contact for safetyrelated questions.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearms. Always prioritize safety and proper handling to enjoy the best experience with your CLEANING ROD FUNLINE SPORT, ALUMINIUM ALLOY. Thank you for your attention to these important guidelines.
