

CLEANING ROD FUN-LINE SPORT, ALUMINIUM ALLOY (INTERNAL THREAD M5) - FOR CAL. 6.5MM-.50 - Cleaning Rod, 900mm - Fun-Line Sport, Aluminum Alloy (internal thread M5) - for Cal. 6.5mm-.50

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The cleaning rods are made of stainless steel (Power-Line Profi) or a lighter aluminum alloy (Fun-Line Sport) with a non-slip and ergonomic polyamide handle. This contains two maintenance-free and smooth-running ball bearings, so that the VFG barrel cleaner screwed onto the adapter can follow the movements during the cleaning process.

Depending on the application, we recommend the 1- or 3-part cleaning rod.

The advantage of the one-piece design is the stability - the three-piece impresses with its compact design, e.g. on the go. The three-part design can be used universally for long and short weapons and therefore offers an additional benefit.

Safety Instruction Guide for CLEANING ROD FUNLINE SPORT, ALUMINIUM ALLOY (INTERNAL THREAD M5) FOR CAL. 6.5MM.50

Introduction

Thank you for choosing the CLEANING ROD FUNLINE SPORT. This product is designed to facilitate the cleaning of firearms safely and effectively. Please read this safety instruction guide carefully to ensure proper use and maintenance of the cleaning rod.

General Safety Guidelines

- Always ensure that the cleaning rod is used in accordance with the manufacturer's instructions.
- Inspect the cleaning rod for any signs of damage or wear before each use.
- Keep the cleaning rod out of reach of children and unauthorized users.
- Use the cleaning rod only for its intended purpose.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for updates on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Hazard Identification:

- The cleaning rod contains small parts that may pose a choking hazard if ingested.
- Improper use may lead to injury or damage to the firearm.

• Avoiding Hazards:

- Always ensure that the firearm is unloaded before cleaning.
- Use the cleaning rod in a welllit and stable environment.
- Do not apply excessive force when using the cleaning rod to avoid bending or breaking.
- Ensure that the cleaning rod is securely attached to the adapter before use.

• AgeSpecific Warnings:

- This product is not suitable for children under the age of 12 without adult supervision.
- Ensure that younger users are instructed on safe handling practices.

Instructions for Installation and Usage

• Installation:

1. Ensure that the cleaning rod is clean and free from debris.
2. Attach the cleaning rod to the appropriate adapter (M5 external and 1/8" internal thread) securely.
3. Confirm that the connection is tight and stable before proceeding.

• Usage:

- Always handle the cleaning rod with care.
- Insert the cleaning rod into the barrel of the firearm gently.
- Rotate the cleaning rod slowly and steadily while applying cleaning solution as needed.
- After cleaning, remove the cleaning rod carefully and clean it according to the maintenance

instructions.

Disposal Instructions

- Dispose of the cleaning rod in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling the aluminum alloy components where facilities exist.

Contact Information for Further Support

For any safety inquiries or additional information regarding the CLEANING ROD FUNLINE SPORT, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

Thank you for prioritizing safety while using the CLEANING ROD FUNLINE SPORT. Your adherence to these instructions ensures a safe and effective cleaning process.
