

# **CLEANING ROD FOR HANDGUNS, FUN-LINE SPORT, ALUMINIUM ALLOY - FOR CAL. 6.5MM-.50 - Cleaning Rod for Handguns, Fun-Line Sport, Aluminum Alloy - for Cal. 6.5mm-.50**

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The cleaning rods are made of stainless steel (Power-Line Profi) or a lighter aluminum alloy (Fun-Line Sport) with a non-slip and ergonomic polyamide handle. This contains two maintenance-free and smooth-running ball bearings, so that the VFG barrel cleaner screwed onto the adapter can follow the movements during the cleaning process.

Depending on the application, we recommend the 1- or 3-part cleaning rod. The advantage of the one-piece design is the stability - the three-piece impresses with its compact design, e.g. on the go. The three-part design can be used universally for long and short weapons and therefore offers an additional benefit.

# Safety Instruction Guide for CLEANING ROD FOR HANDGUNS, FUNLINE SPORT, ALUMINIUM ALLOY FOR CAL. 6.5MM.50

## Introduction

Thank you for choosing the CLEANING ROD FOR HANDGUNS, FUNLINE SPORT, ALUMINIUM ALLOY FOR CAL. 6.5MM.50. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the cleaning rod.

## General Safety Guidelines

- Ensure the cleaning rod is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the cleaning rod for damage before use. Do not use if damaged.
- Use the cleaning rod in a wellventilated area to avoid inhalation of cleaning solvents.
- Follow all manufacturer recommendations for cleaning solutions and techniques.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle the cleaning rod with care to avoid injury.
- Do not apply excessive force when using the cleaning rod to prevent bending or breaking.
- Ensure the cleaning rod is properly secured to the adapter before use.
- Avoid using the cleaning rod near open flames or heat sources.
- Wear protective eyewear if using cleaning solvents that may splash.
- Ensure that the cleaning rod is stored in a safe and dry location after use.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials, including the cleaning rod, adapter, and cleaning solutions.
- Ensure that your workspace is clean and organized.

### 2. Connecting the Adapter

- Attach the adapter to the cleaning rod by screwing it securely into the M5 external thread.
- Ensure that the internal 1/8" thread is compatible with the cleaning accessories you plan to use.

### 3. Using the Cleaning Rod

- Insert the VFG barrel cleaner onto the adapter.
- Carefully insert the cleaning rod into the barrel of the handgun, ensuring it is aligned correctly.
- Use smooth, steady motions to clean the barrel, allowing the ball bearings to facilitate movement.
- If using a 3part cleaning rod, ensure all sections are securely connected before use.

### 4. PostUse Care

- After cleaning, carefully remove the cleaning rod from the barrel.
- Clean the rod and adapter with a suitable cleaning solution and dry thoroughly.

- Store the cleaning rod in its designated location to prevent damage.

## **Disposal Instructions**

- Dispose of the cleaning rod in accordance with local regulations regarding metal waste.
- Do not dispose of the cleaning rod in regular household waste.
- If the cleaning rod is damaged beyond use, consider recycling it at a designated facility.

## **Contact Information for Further Support**

For any questions or concerns regarding the use and safety of this product, please contact the manufacturer or consult the product packaging for further details.

Thank you for prioritizing safety while using the CLEANING ROD FOR HANDGUNS, FUNLINE SPORT, ALUMINIUM ALLOY FOR CAL. 6.5MM.50. Your adherence to these guidelines will help ensure a safe and effective cleaning experience.
