

PISTOL CLEANING ROD HANDUNG, SEALED HANDLE - FROM CAL. .22 - Pistol Cleaning Rod Handguns, sealed Handle - from Cal. .22

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The cleaning rods are made of stainless steel (Power-Line Profi) or a lighter aluminum alloy (Fun-Line Sport) with a non-slip and ergonomic polyamide handle. This contains two maintenance-free and smooth-running ball bearings, so that the VFG barrel cleaner screwed onto the adapter can follow the movements during the cleaning process.

Depending on the application, we recommend the 1- or 3-part cleaning rod. The advantage of the one-piece design is the stability - the three-piece impresses with its compact design, e.g. on the go. The three-part design can be used universally for long and short weapons and therefore offers an additional benefit.

Safety Instruction Guide for PISTOL CLEANING ROD HANDUNG, SEALED HANDLE FROM CAL. .22

Introduction

Thank you for choosing the Pistol Cleaning Rod Handung with a sealed handle designed for .22 caliber handguns. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the cleaning rod.

General Safety Guidelines

- **Product Safety:** This cleaning rod is designed for safe use with handguns of .22 caliber and above. Ensure that it is used according to the instructions provided in this guide.
- **Enhanced Recalls:** In the event of a safety issue, you may receive standardized recall notices. Always check for updates regarding product recalls.
- **Online Shopping:** If purchased online, this product is subject to the same safety regulations as those bought in physical stores. Ensure that the seller complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries or concerns, please refer to the designated EU contact point.
- **Rapid Alerts:** Stay informed about any safety updates or alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper handling may lead to personal injury.
 - Using the cleaning rod with incompatible firearms may cause damage.
- **Instructions to Avoid Hazards:**
 - Always ensure the firearm is unloaded before cleaning.
 - Do not use excessive force when using the cleaning rod to prevent breakage.
 - Avoid using the cleaning rod with firearms that are not specified for its use.
- **Age Warnings:** This product is not suitable for individuals under the age of 18. Adult supervision is recommended when used in the presence of younger individuals.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod, adapter, and cleaning materials.

2. Assembly:

- If using the 2piece cleaning rod, connect the two sections by screwing them together until secure.
- Attach the adapter to the cleaning rod by screwing it on until it is firmly in place.

3. Cleaning Process:

- Insert the cleaning rod into the barrel of the firearm.
- Use smooth, gentle motions to push the cleaning rod through the barrel.
- Do not force the cleaning rod; if resistance is met, check for obstructions.
- After cleaning, remove the cleaning rod and inspect for any damage.

4. Storage:

- Store the cleaning rod in a dry place, away from direct sunlight and moisture.
- Keep it in a secure location, out of reach of children.

Disposal Instructions

- Dispose of the cleaning rod in accordance with local regulations.
- If the cleaning rod is damaged or no longer usable, consider recycling the materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the Pistol Cleaning Rod Handung, please refer to the manufacturer's contact details provided at the point of purchase or on the product packaging.

Thank you for following these safety instructions. Proper use and care will help ensure the longevity of your cleaning rod and the safety of your firearm maintenance practices.
