Safety Instruction Guide for MDT ACC Chassis Base Remington 700

Introduction

Thank you for choosing the MDT ACC Chassis Base for your Remington 700. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- Keep the chassis and its components out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearms and their accessories.
- Report any unsafe products or incidents to relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Verify that all components are securely fastened before use.
- Do not exceed the manufacturer's specifications for weight and modifications.
- Avoid using the chassis in extreme weather conditions that may affect performance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components, including the MDT Vertical Pistol Grip.
- Ensure you are in a safe and controlled environment for installation.

2. Installation Steps

- Remove the existing stock from the Remington 700.
- Align the MDT ACC Chassis Base with the action of the firearm.
- Securely fasten the chassis using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach the MDT Vertical Pistol Grip to the chassis as per the instructions provided with the grip.
- If using a folding stock, follow the specific installation instructions included with that component.

3. Usage Guidelines

- Familiarize yourself with the operation of your firearm and chassis combination before use.
- Practice safe handling procedures at all times.
- Regularly check the chassis for tightness and stability during use.

Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for local recycling programs for metal components.

Contact Information for Further Support

For safety inquiries, please refer to the EUbased contact point provided with your product. Always keep this information readily available for any questions or concerns regarding safety and usage.

By following these guidelines, you help ensure your safety and the safety of others while enjoying your MDT ACC Chassis BaseRemington 700. Thank you for your attention to these important safety instructions.
