

# ACC Chassis Base-Remington 700 - ACC Chassis Base-Remington 700 LA CIP 3.850-Right Handed-Cerakote FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can create your own ACC Chassis starting from this Chassis Base. Different stock options are available, including folding stocks: SRS-X Elite, Standard or Short and SRS-XF Folding. Pistol Grip is also needed, MDT's Vertical Pistol Grip is designed for this Chassis. Please see complete ACC Chassis Systems for more information.

# MDT ACC Chassis Base Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ACC Chassis Base for your Remington 700. This guide provides essential safety instructions and usage guidelines to ensure your product functions safely and effectively. Please read this manual thoroughly before using the product.

## General Safety Guidelines

- Ensure that the Chassis Base is compatible with your specific Remington 700 model.
- Always wear appropriate safety gear when handling firearms and related accessories.
- Keep the Chassis Base and all components out of reach of children and unauthorized users.
- Regularly inspect the Chassis Base for any signs of wear or damage.
- Avoid using the Chassis Base if it shows signs of damage or malfunction.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before installing or modifying the Chassis Base.
- Use only compatible components as specified in this manual.

### • Handling Precautions:

- Always treat the firearm as if it is loaded, even when you believe it is unloaded.
- Do not point the firearm at anything you do not intend to shoot.

### • Operational Precautions:

- Familiarize yourself with the proper operation of the Chassis Base before use.
- Ensure that the firearm is secured in the Chassis Base before handling.

### • Maintenance Precautions:

- Clean the Chassis Base regularly to ensure optimal performance.
- Store the Chassis Base in a cool, dry place when not in use.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Start by ensuring your firearm is completely unloaded.
- Remove the existing stock from the Remington 700.
- Align the Chassis Base with the action of the firearm.
- Secure the Chassis Base using the provided screws and tools, ensuring a snug fit.
- Attach the MDT Vertical Pistol Grip to the Chassis Base as per the included instructions.

### 2. Usage Guidelines:

- Ensure that the Chassis Base is properly installed before using the firearm.
- Familiarize yourself with the folding stock options and ensure they are locked in place before use.
- Always check that the firearm is functioning properly before each use.

## Disposal Instructions

- Dispose of the Chassis Base and any components responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns about the MDT ACC Chassis Base, please consult your local distributor or authorized dealer for assistance. They can provide you with the necessary support and information regarding safety, installation, and usage.

## Conclusion

By following these safety guidelines and instructions, you can ensure safe and effective use of your MDT ACC Chassis Base. Always prioritize safety and compliance with local laws and regulations when handling firearms and related accessories. Thank you for your attention to these important safety measures.
