

# ACC Chassis Base-Remington 700 - ACC Chassis Base-Remington 700 SA-Right Handed-Cerakote FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can create your own ACC Chassis starting from this Chassis Base. Different stock options are available, including folding stocks: SRS-X Elite, Standard or Short and SRS-XF Folding. Pistol Grip is also needed, MDT's Vertical Pistol Grip is designed for this Chassis. Please see complete ACC Chassis Systems for more information.

# MDT ACC Chassis Base Safety Instructions

## Introduction

Thank you for choosing the MDT ACC Chassis Base for your Remington 700. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that all components are compatible with your specific model of the Remington 700.
- Always handle firearms with care and respect. Follow all safety protocols when using your rifle.
- Keep the chassis system out of reach of children and unauthorized individuals.
- Regularly inspect your chassis for any signs of wear or damage. Do not use if damaged.
- Store your chassis and any associated equipment in a secure location.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Make sure the firearm is unloaded before installing or adjusting the chassis.
- Do not modify the chassis system in any way that could compromise its integrity or safety.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and ownership.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools and components before beginning the installation.
- Read the manufacturer's instructions for any additional components you plan to use.

### 2. Installation Steps:

- Remove the existing stock from your Remington 700 by following the manufacturer's guidelines.
- Align the MDT ACC Chassis Base with the action of the rifle.
- Secure the chassis to the rifle using the provided screws and tools.
- Attach the desired stock option (SRSX Elite, Standard, Short, or SRSXF Folding) according to the manufacturer's instructions.
- Install the MDT Vertical Pistol Grip by following the provided guidelines.
- Doublecheck all screws and fittings to ensure everything is securely fastened.

### 3. Usage:

- Before each use, verify that the rifle is properly secured within the chassis.
- Conduct a function check to ensure that all components are working correctly.
- When firing, maintain a firm grip on the chassis and ensure proper shooting stance.

## Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ACC Chassis Base or its installation, please refer to the manufacturer's website or your point of purchase for further assistance.

Thank you for following these safety instructions. Your safety is our priority. Enjoy your shooting experience responsibly!
