MDT ACC Chassis Base Safety Instructions

Introduction

Thank you for choosing the MDT ACC Chassis Base for the Remington 700. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe and effective operation of your product. Please read this manual carefully before use.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Store the chassis and any accessories in a safe place, away from children and unauthorized users.
- Inspect the chassis regularly for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Be aware of your surroundings when using the chassis to avoid accidents.
- Ensure that all components are properly secured before use to prevent malfunctions.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- Use the chassis only with compatible firearms as specified by the manufacturer.
- Always handle firearms with care and ensure they are unloaded when not in use.
- Wear appropriate safety gear, such as eye protection, when using the chassis.
- Do not modify the chassis or its components in any way that could compromise safety.
- Keep fingers away from the trigger until you are ready to shoot.
- Ensure that the area is clear of obstructions and people before firing.

Instructions for Installation and Usage

1. Installation of the Chassis Base

- Ensure that the firearm is unloaded.
- Remove the existing stock from the Remington 700 following the manufacturer's instructions.
- Align the MDT ACC Chassis Base with the action of the firearm.
- Secure the chassis using the provided screws, ensuring they are tightened to the manufacturer's specifications.

2. Installing the Pistol Grip

- Choose the MDT Vertical Pistol Grip compatible with your chassis.
- Align the grip with the designated mounting area on the chassis.
- Secure the grip using the screws provided, ensuring a firm fit.

3. Attaching Stock Options

- Depending on your preference, attach either the SRSX Elite, Standard, Short, or SRSXF Folding stock.
- Follow the specific instructions provided with the chosen stock for proper attachment.

4. Safety Check Before Use

- After installation, conduct a thorough safety check of all components.
- Ensure that the action operates smoothly and that all parts are securely fastened.

5. Usage Guidelines

- Always follow the manufacturer's guidelines for operating your firearm.
- Regularly check the chassis and all components for any signs of wear or damage.
- Clean and maintain the chassis according to the manufacturer's recommendations.

Disposal Instructions

- When disposing of the chassis or any components, follow local regulations regarding the disposal of aluminum and firearmrelated products.
- If the chassis is damaged beyond repair, consider recycling the aluminum material where facilities are available.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MDT ACC Chassis Base, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product information ready for a more efficient response.

Thank you for prioritizing safety and following these guidelines. Enjoy using your MDT ACC Chassis Base responsibly!
