

# ACC Chassis Base-Remington 700 - ACC Chassis Base-Remington 700 SA-Right Handed-ACC Cerakote O.D. Green

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can create your own ACC Chassis starting from this Chassis Base. Different stock options are available, including folding stocks: SRS-X Elite, Standard or Short and SRS-XF Folding. Pistol Grip is also needed, MDT's Vertical Pistol Grip is designed for this Chassis. Please see complete ACC Chassis Systems for more information.

# MDT ACC Chassis Base Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ACC Chassis Base for your Remington 700. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always handle the chassis with care to avoid injury.
- Ensure that the chassis is compatible with your firearm model before installation.
- Regularly inspect the chassis for any signs of wear or damage.
- Store the chassis in a safe, dry place when not in use.
- Keep the chassis out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and use.

## Specific Safety Precautions for Use

- Use only recommended components and accessories with the MDT ACC Chassis Base.
- Ensure that the firearm is unloaded before installation or adjustment.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Do not attempt to modify or alter the chassis in any way that is not specified in the product documentation.
- Be cautious of sharp edges during installation and handling.
- Do not exceed the manufacturer's specifications for weight and usage limits.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components before starting the installation.
- Ensure that you are working in a clean, dry, and welllit area.

### 2. Installation Steps

- Ensure the firearm is completely unloaded.
- Remove the existing stock from your Remington 700 according to the manufacturer's instructions.
- Align the MDT ACC Chassis Base with the action of the firearm.
- Secure the chassis to the action using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
- Install the chosen stock option (SRSX Elite, Standard, Short, or SRSXF Folding) according to the specific instructions provided with that component.
- Attach the MDT Vertical Pistol Grip to the chassis, ensuring a secure fit.

### 3. Usage

- Once installed, familiarize yourself with the operation of the chassis and any additional components.
- Regularly check the tightness of screws and fittings to ensure safety during use.
- Practice safe handling and shooting practices at all times.

## Disposal Instructions

- Dispose of the MDT ACC Chassis Base in accordance with local waste disposal regulations.
- Do not dispose of the chassis in regular household waste if it contains hazardous materials or components.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the MDT ACC Chassis Base, please refer to the product packaging for contact details or consult the manufacturer's website.

By following these guidelines, you ensure a safer and more enjoyable experience with your MDT ACC Chassis Base. Thank you for your attention to safety.
