

ACC Chassis Base-Remington 700 - ACC Chassis Base-Remington 700 SA-Left Handed-ACC Cerakote Storm Trooper White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can create your own ACC Chassis starting from this Chassis Base. Different stock options are available, including folding stocks: SRS-X Elite, Standard or Short and SRS-XF Folding. Pistol Grip is also needed, MDT's Vertical Pistol Grip is designed for this Chassis. Please see complete ACC Chassis Systems for more information.

MDT ACC Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ACC Chassis Base for your Remington 700. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this document carefully before using the chassis to understand the necessary precautions and procedures.

General Safety Guidelines

- Always follow all local laws and regulations regarding firearm accessories.
- Ensure that the product is used in a safe environment, free from hazards.
- Inspect the chassis for any damage before installation and use. Do not use if damaged.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use may lead to firearm malfunctions. Using incompatible parts may compromise safety and performance.
- **Avoiding Hazards:** Ensure that all components are compatible with your Remington 700 model. Always secure the chassis properly to prevent accidental detachment. Do not exceed the manufacturer's specifications for weight and use.
- **Age Specific Warnings:** This product is intended for adult use only. Keep out of reach of children.
- **Vulnerable Groups:** Extra caution should be taken when using this product in the presence of individuals who may not fully understand firearm safety.

Instructions for Installation and Usage

- **Installation Instructions:**
 1. Ensure all tools are available before starting the installation.
 2. Carefully read the product manual for specific installation steps.
 3. Remove the existing stock from the Remington 700 as per the manufacturer's guidelines.
 4. Align the MDT ACC Chassis Base with the action of the firearm.
 5. Secure the chassis using the provided screws and tools, ensuring a tight fit.
 6. Attach the desired stock option and pistol grip, following the manufacturer's instructions.
 7. Perform a final inspection to ensure all parts are securely attached.
- **Usage Instructions:**
 1. Always treat your firearm as if it is loaded.
 2. Ensure the safety is engaged when not in use.
 3. Regularly inspect the chassis and all attachments for wear and tear.
 4. Avoid using the chassis in adverse weather conditions that may affect performance.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Check for designated disposal facilities for firearm accessories.
- If you are unsure about disposal, contact local authorities for guidance.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the official MDT website or contact your local dealer.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and care of your MDT ACC Chassis Base.
