The Foundation is literally the cornerstone of Grey Birch. the company, the solid ground on which we will build our home. The ultimate goal in building the Foundation was always to have a lightweight, modular, customizable and secure base to firmly house the Barrel Action in two places. Everything is built on a solid foundation.

The Foundation is a modular chassis system built on the 10/22® platform. The Foundation is packed with features to enhance the shooting experience with configurations ranging from short-range racing rifles to long-range precision rifles.
