## Description

The Rem 700 Bottom Safety is the ideal upgrade to improve accuracy and precision on any Remington 700 style rifle that requires a bottom safety. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Special Bottom Safety - Right - No bolt release - Traditional Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010041
- Mfr. No.: R70-SBB-13-BNC
- Model: 700
- Style: Adjustable, Curved
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768001496

## Safety Instruction Guide

### Introduction

Thank you for choosing the TRIGGERTECH Rem700 Special Bottom Safety. This safety instruction guide is designed to ensure the safe and effective use of your new product. Please read this guide carefully before installation and use.

### General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the trigger.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Use the trigger only in accordance with the manufacturer's instructions and for its intended purpose.
- Regularly inspect the trigger for wear and tear to ensure it remains in safe working condition.
- Report any malfunction or safety concerns to a qualified gunsmith or the manufacturer immediately.
- Familiarize yourself with local laws and regulations regarding firearm modifications.

### Specific Safety Precautions for Use

- Ensure that the trigger is compatible with your Remington 700 style rifle before installation.
- Do not attempt to modify or disassemble the trigger beyond the manufacturer's specifications.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not exceed the recommended pull weight settings to avoid unintended discharges.
- If you experience any unusual resistance or malfunction during use, stop using the firearm immediately and consult a professional.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Install the TRIGGERTECH Rem700 Special Bottom Safety by following these steps:
  - Align the trigger with the mounting points on the rifle.
  - Secure the trigger using the provided screws and tools.
  - Check for proper alignment and function before proceeding.

#### 2. Usage:

- Familiarize yourself with the trigger's operation before live firing.
- Practice dry firing in a safe environment to understand the trigger's feel and response.
- Regularly check the trigger's performance and ensure it operates smoothly without any binding.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the trigger in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIGGERTECH Rem700 Special Bottom Safety, please refer to the manufacturer's website or customer support resources. Always ensure that you have the most up-to-date information regarding your product.

## **Conclusion**

Following these safety instructions will help ensure the safe and effective use of your TRIGGERTECH Rem700 Special Bottom Safety. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
