Description

The Rem 700 Bottom Safety is the ideal upgrade to improve accuracy and precision on any Remington 700 style rifle that requires a bottom safety. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

Attributes

- Name: [TRIGGERTECH Rem700 Special Bottom Safety - Right - No bolt release - Straight Flat \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010042
- Mfr. No.: R70-SBB-13-BNF
- Model: 700
- Style: Adjustable
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768001502

TRIGGERTECH REM700 SPECIAL BOTTOM SAFETY RIGHT NO BOLT RELEASE

Safety Instruction Guide

Introduction

Thank you for choosing the TRIGGERTECH REM700 Special Bottom Safety. This guide provides essential safety instructions and usage information to ensure the safe operation of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure the product is used only with Remington 700 style rifles that require a bottom safety.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear or damage.
- If you experience any issues with the trigger, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Do not modify the trigger or any of its components in any way.
- Ensure the rifle is unloaded before installing or adjusting the trigger.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- When testing the trigger, perform dryfire exercises in a safe area, ensuring the firearm is pointed in a safe direction.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is completely unloaded and pointed in a safe direction.
- Remove the existing trigger assembly according to the manufacturer's instructions.
- Install the TRIGGERTECH REM700 Special Bottom Safety by following these steps:
 - Align the trigger with the receiver.
 - Secure the trigger assembly using the provided screws.
 - Ensure all components are tightly fitted and there are no loose parts.
- Perform a function check to ensure the trigger operates correctly.

2. Usage:

- Familiarize yourself with the trigger's operation before live firing.
- Use the trigger in accordance with standard shooting practices.
- Monitor the trigger's performance during use; if any irregularities occur, stop using the firearm immediately.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or support, please contact the manufacturer or a qualified professional. Ensure you have your product details ready for reference.

Conclusion

Your safety and the safety of others depend on the proper use and handling of your TRIGGERTECH REM700 Special Bottom Safety. By following this guide, you can ensure a safe and enjoyable shooting experience. Always prioritize safety and seek assistance when needed.
