## Description

The Rem 700 Bottom Safety is the ideal upgrade to improve accuracy and precision on any Remington 700 style rifle that requires a bottom safety. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Special Bottom Safety - Right - No bolt release - Pro Curved \(PWD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010043
- Mfr. No.: R70-SBB-13-BNP

# Safety Instruction Guide for TRIGGERTECH REM700 SPECIAL BOTTOM SAFETY RIGHT NO BOLT RELEASE

## Introduction

Thank you for choosing the TRIGGERTECH Rem700 Special Bottom Safety. This product is designed to enhance the performance of your Remington 700style rifle while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Ensure that the product is installed and used in accordance with the manufacturer's instructions.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Be aware of your surroundings and ensure a proper backstop when shooting.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This product is intended for use with Remington 700style rifles only.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use appropriate protective gear, such as safety glasses and hearing protection, when using firearms.
- Do not modify or alter the product in any way that could affect its performance or safety.
- If you experience any issues with the trigger, discontinue use immediately and seek assistance.
- Keep your fingers off the trigger until you are ready to shoot.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is completely unloaded and safe to handle.
- Remove the existing safety mechanism from the firearm according to the manufacturer's instructions.
- Carefully install the TRIGGERTECH Rem700 Special Bottom Safety by following the provided installation guidelines.
- Ensure all components are securely fastened and free of obstructions.
- Test the safety mechanism to ensure it operates correctly before using the firearm.

### 2. Usage Instructions:

- Familiarize yourself with the operation of the safety before using the firearm.
- Always engage the safety when the firearm is not in use.
- Only disengage the safety when you are prepared to fire.
- Practice safe shooting habits and ensure that all safety precautions are followed.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Follow local guidelines for the disposal of firearms and firearm components.
- If the product is damaged or no longer functional, contact a qualified professional for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product issues, please contact the manufacturer or authorized dealer for assistance. Ensure you have your product details ready for a more efficient response.

By following these safety instructions, you can enjoy the benefits of your TRIGGERTECH Rem700 Special Bottom Safety while maintaining a safe shooting environment. Thank you for prioritizing safety and responsibility in your shooting activities.
