Safety Instruction Guide

Introduction

Thank you for choosing the ULFHEDNAR Extra Bullet Holder Velcro 3 rds. This product is designed for the efficient storage and quick access of ammunition, making it ideal for both competition and hunting. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle ammunition with care and in accordance with local laws and regulations.
- Ensure that the bullet holder is used only with compatible ammunition types.
- Inspect the bullet holder regularly for wear and damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not overload the bullet holder beyond its designed capacity.
- Avoid exposing the bullet holder to extreme temperatures or moisture.
- Ensure that the Velcro is securely fastened before use to prevent accidental release.
- Use the bullet holder only for its intended purpose; do not use it for other items.
- If the bullet holder shows any signs of wear, such as fraying or detachment, discontinue use immediately.

Instructions for Installation and Usage

1. Installation

- Choose a suitable location for attaching the bullet holder, ensuring it is easily accessible.
- Clean the surface where the bullet holder will be mounted to ensure proper adhesion.
- Remove the backing from the Velcro and press the holder firmly onto the chosen surface.
- Allow the adhesive to set for the recommended time before loading ammunition.

2. Usage

- Load the ammunition into the holder by placing each round into the designated slots.
- Ensure that each round is securely held in place by pressing it into the Velcro.
- When ready to use, gently pull the ammunition from the holder, ensuring a firm grip.
- After use, store the bullet holder in a safe and secure location.

Disposal Instructions

- Dispose of the bullet holder in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling it if possible.
- Ensure that any ammunition is properly disposed of in accordance with local laws.
