

# MEPRO EVERGREEN PISTOL SET GLOCK ALL MODELS G RING - EVERGREEN PISTOL SET GLOCK ALL MODELS G RING/BLANK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

# MEPRO EVERGREEN PISTOL SET GLOCK ALL MODELS G RING Safety Instruction Guide

## Introduction

Thank you for choosing the Mepro Evergreen™ Pistol Set for Glock All Models. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the Mepro Evergreen™ to understand its features and safety precautions.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Mepro Evergreen™ by adhering to the instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls. The manufacturer will provide standardized recall notices and remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, particularly children.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact point.
- **Rapid Alerts:** Be aware of updates on unsafe products via the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Always handle the firearm safely:** Treat every firearm as if it is loaded.
- **Use appropriate protective gear:** Always wear safety glasses and ear protection when using the firearm equipped with the Mepro Evergreen™.
- **Check compatibility:** Ensure that the Mepro Evergreen™ is compatible with your specific Glock model before installation.
- **Avoid modifications:** Do not modify the Mepro Evergreen™ or any part of your firearm, as this can compromise safety and functionality.
- **Regular inspections:** Periodically inspect the Mepro Evergreen™ for any signs of wear or damage. If any issues are found, discontinue use immediately.
- **Follow local laws:** Always comply with local laws and regulations regarding the use of firearms and accessories.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure the firearm is unloaded:** Before starting the installation, make sure your Glock is completely unloaded.
2. **Remove the existing sights:** Use a sight pusher or appropriate tool to carefully remove the existing front and rear sights from your Glock.
3. **Install the front sight:**
  - Align the Mepro Evergreen™ front sight with the dovetail on the slide.
  - Press or tap it into place using a sight pusher or hammer with a protective tool to avoid damage.
4. **Install the rear sight:**
  - Align the Mepro Evergreen™ rear sight with the dovetail at the rear of the slide.
  - Secure it in place using the same method as the front sight.

5. **Check alignment:** Ensure both sights are aligned properly for optimal accuracy.
6. **Secure the sights:** If applicable, tighten any screws or fasteners to ensure the sights are securely in place.

## Usage Instructions

- **Target Acquisition:** Utilize the illuminated dots for improved target acquisition during both daytime and nighttime operations.
- **Practice regularly:** Regular practice will enhance your ability to use the Mepro Evergreen™ effectively.
- **Adjust settings if necessary:** Familiarize yourself with any brightness adjustments for optimal visibility.

## Disposal Instructions

- **Do not dispose of the product in regular household waste:** Follow local regulations for the disposal of electronic devices and hazardous materials.
- **Contact local waste management authorities:** For guidance on proper disposal methods in your area.

## Contact Information for Further Support

For any queries or support regarding the Mepro Evergreen™ Pistol Set, please refer to the manufacturer's website or contact your local distributor for assistance. Always ensure that you have access to reliable sources for product information and safety updates.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Mepro Evergreen™ Pistol Set. Thank you for your attention to these important safety guidelines.
