LRA CR1/3N Batteries Safety Instruction Guide

Introduction

Thank you for choosing the LRA CR1/3N Batteries Set of 5. This guide provides essential safety instructions to ensure the safe use of these batteries. Please read this guide carefully before using the product.

General Safety Guidelines

- Always store batteries in a cool, dry place, away from direct sunlight and heat sources.
- Keep batteries out of reach of children and pets.
- Do not expose batteries to water or other liquids.
- Do not attempt to recharge nonrechargeable batteries.
- Dispose of batteries properly and in accordance with local regulations.
- Be aware of the expiration date on the battery packaging. Do not use expired batteries.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not mix old and new batteries or different types of batteries.
- Ensure that batteries are inserted with the correct polarity (+ and -).
- Do not shortcircuit the battery terminals.
- Avoid puncturing or crushing batteries, as this may cause leakage or explosion.
- If a battery is leaking, avoid contact with the fluid. Wear gloves and follow proper disposal procedures.
- If a battery is damaged or shows signs of swelling, do not use it and dispose of it safely.

Instructions for Installation and Usage

1. Inserting Batteries:

- Open the battery compartment of your device.
- Insert the LRA CR1/3N batteries, ensuring the positive (+) and negative (-) terminals are aligned correctly.
- Close the battery compartment securely.

2. Using the Device:

- Turn on your device as per the manufacturer's instructions.
- Monitor the device for any unusual behavior, such as overheating or abnormal sounds.

3. Replacing Batteries:

- When the device shows signs of low battery, turn it off and remove the batteries.
- Dispose of used batteries properly.
- Insert new LRA CR1/3N batteries following the insertion instructions above.

Disposal Instructions

- Do not throw batteries in the regular trash. Follow local laws and regulations for battery disposal.
- Many retailers and local recycling programs offer battery recycling services. Check with your local waste management authority for options.
- If available, use designated battery recycling bins.

Contact Information for Further Support

For safety inquiries or concerns regarding the LRA CR1/3N Batteries, please contact your local distributor or manufacturer. Ensure you have the product information ready for reference.

By following these safety instructions, you can help ensure a safe and effective experience with your LRA CR1/3N Batteries. Thank you for your attention to these important guidelines.
