

ACC Premier GEN 2 System - Howa 1500 - ACC Premier GEN 2 System Howa 1500 SA RH CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis System is the all-round refresh to the industry-defining ACC Premier, pushing precision and performance to the next level. Designed with feedback from elite shooters, it incorporates innovations from the ACC Elite, such as a taller integrated barricade stop for enhanced stability, a thicker and more rigid forend for improved durability, and pre-drilled holes along the top of the forend to accommodate MDT's NV and Control Bridge system.

Rimfire competition is booming, so MDT made the forend a compact 15" to perfectly fit a wider range of barrel sizes. Whether you're dominating steel matches or PRS, this chassis system is your ultimate advantage. Engineered for maximum customization, it lets you fine-tune your competition rifle's balance with a variety of compatible weights. The result? Faster target acquisition, smoother follow-up shots, and unparalleled control.

Upgrade to the MDT ACC Premier GEN2 and ensure you're equipped to excel in every match. Precision, stability, and adaptability—this chassis delivers it all.

Safety Instruction Guide for the ACC Premier GEN 2 System Howa 1500

Introduction

Thank you for choosing the MDT ACC Premier GEN 2 Chassis System for your Howa 1500 rifle. This guide provides essential safety instructions to ensure the safe use and enjoyment of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to ensure your product is safe.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to instability during use.
- Using incompatible weights can affect balance and control.
- Failure to secure components properly may result in accidents.

- **Avoiding Hazards:**

- Always ensure that the chassis is properly fitted to your rifle before use.
- Use only MDT-compatible weights for customization.
- Regularly check that all screws and fittings are tightened and secure.
- Do not exceed the recommended weight limits for the chassis system.

- **Age Specific Warnings:**

- This product is intended for use by individuals aged 18 and older.
- Ensure that younger or inexperienced users are supervised by a knowledgeable adult.

Instructions for Installation and Usage

- **Installation:**

1. Unpack the chassis system and ensure all components are present.
2. Refer to the manufacturer's installation guide for detailed steps.
3. Align the chassis with your Howa 1500 rifle and secure it using the provided screws.
4. Ensure that the integrated barricade stop is properly positioned for stability.
5. Check that all connections are tight and secure before proceeding.

- **Usage:**

1. Adjust the forend and weights to achieve the desired balance and stability.
2. Practice target acquisition and followup shots in a safe environment.
3. Regularly clean and maintain the chassis to ensure optimal performance.

4. Always use appropriate safety gear when handling firearms.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and aluminum waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding your ACC Premier GEN 2 System, please refer to the manufacturer's contact information provided with your product.

By following these safety guidelines, you can ensure a safe and enjoyable experience with your MDT ACC Premier GEN 2 Chassis System. Thank you for your commitment to safety.
