German Tactical Systems - Ammo Can Size 2 (BW)

The Size 2 Ammo Can from German Tactical Systems is built for those who demand reliable storage and rock-solid protection. Made from durable tinplate steel, it shields your gear from dust, moisture, and impact - whether in the field, in storage, or on the move.

A continuous rubber gasket, reinforced lever-lock latch, and integrated padlock loop ensure maximum security. The foldable steel handle allows for comfortable transport, even with gloves on. Fully stackable and finished in classic NATO green, this can is ready for anything.

Whether it's ammo, tools, or tactical gear - this box keeps your essentials safe and organized.

Safety Instruction Guide for BW Ammo Can NATO Green

Introduction

Thank you for choosing the BW Ammo Can NATO Green from German Tactical Systems. This guide provides essential safety instructions to ensure the safe use of your ammo can. Please read this document carefully to understand how to use and maintain your product effectively.

General Safety Guidelines

- Always ensure that the ammo can is used only for its intended purpose.
- Store the ammo can in a cool, dry place away from direct sunlight and extreme temperatures.
- Regularly inspect the ammo can for any signs of damage or wear.
- Keep the ammo can out of reach of children and vulnerable individuals.
- Do not overload the ammo can beyond its capacity.
- In case of any product malfunction or damage, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential sharp edges on the can may cause cuts.
 - Improper handling may lead to dropping the can, risking injury or damage to contents.
- **Avoiding Hazards:**
 - Handle the ammo can with care to avoid injuries.
 - Always use the foldable steel handle when carrying the can.
 - Ensure the rubber gasket is intact to maintain an airtight seal.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Keep it stored securely to prevent access.

Instructions for Installation and Usage

- **Using the Ammo Can:**
 - Open the ammo can by releasing the leverlock latch.
 - Ensure the rubber gasket is clean and undamaged before closing.
 - Fill the can with your desired items, ensuring not to exceed the volume capacity of 0.008 m³.
 - Close the lid securely, ensuring the latch is fully engaged.
- **Transporting the Ammo Can:**
 - Use the foldable steel handle for easy carrying.
 - Wear gloves if necessary for better grip and protection.
- **Stacking the Ammo Can:**
 - The ammo can is fully stackable. Ensure it is stable and secure when stacking to prevent tipping.

Disposal Instructions

- Dispose of the ammo can responsibly at a designated recycling facility.
- Do not incinerate the ammo can as it may release harmful substances.
- Follow local regulations regarding the disposal of metal products.

Contact Information for Further Support

For safety inquiries or further assistance regarding your BW Ammo Can, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety instructions, you will ensure the safe and effective use of your BW Ammo Can NATO Green. Always prioritize safety and proper handling to protect yourself and your belongings. Thank you for your attention and commitment to safe practices.
