

# ACC Premier Gen 2 System Ruger American - SA - RH BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

AVAILABLE

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available. Upgrade your rifle with ease and hit the range in no time. Simply drop your action into place and tighten two screws. No need for complicated gunsmithing.

# Safety Instruction Guide for ACC Premier Gen 2 System

## Introduction

Thank you for choosing the ACC Premier Gen 2 System Ruger American SA RH BLK. This guide provides essential safety information and instructions for the safe use, installation, and disposal of your product. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle your rifle with care and ensure it is unloaded when not in use.
- Follow all local laws and regulations regarding firearm ownership, storage, and use.
- Keep firearms out of reach of children and unauthorized users.
- Regularly inspect your equipment for any signs of wear or damage.
- Use only compatible accessories and parts as specified by the manufacturer.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the rifle is pointed in a safe direction at all times.
- Always keep your finger off the trigger until you are ready to shoot.
- Wear appropriate eye and ear protection when using the rifle.
- Avoid using the rifle in wet or damp conditions that may affect its performance.
- Do not modify the rifle or its components without consulting a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure you have a clean and dry workspace.
- Gather the necessary tools, including a screwdriver.

#### 2. Mounting the Action

- Carefully drop your action into the chassis.
- Align the action properly to ensure a secure fit.

#### 3. Securing the Action

- Tighten the two screws provided to secure the action in place.
- Ensure that the screws are tightened to the manufacturer's specifications.

#### 4. Accessory Installation

- Attach any additional accessories, such as bipods or tripods, to the integrated ARCA rail.
- Ensure all accessories are securely mounted before use.

## **Usage**

- Adjust the forend, cheek weld, and length of pull to suit your comfort and shooting style.
- Test the balance of the rifle with various weights to achieve optimal performance.
- Regularly check the stability of the rifle when mounted on barricades or props.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearms and associated materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For further inquiries or assistance regarding safety and usage, please refer to the manufacturer's contact details, which can be found in the product packaging or on the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System Ruger American SA RH BLK. Thank you for your attention to safety!
