

ACC Premier Gen 2 System Ruger American - SA - RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

ACC Premier Gen 2 System Safety Instruction Guide

Introduction

Thank you for choosing the ACC Premier Gen 2 System. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. It is designed to help you understand how to use the system effectively while minimizing risks. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure you are familiar with the operation of firearms and adhere to all local laws and regulations regarding their use.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and the ACC Premier Gen 2 System for any signs of wear or damage.
- Never modify your firearm or the chassis system without consulting a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the ACC Premier Gen 2 System is compatible with your firearm model (Ruger American SA RH).
- Always wear appropriate eye and ear protection when shooting.
- Avoid using the system in wet or adverse weather conditions that could affect performance.
- Do not exceed the manufacturer's recommended weight limits for accessories mounted on the chassis.
- Be aware of your surroundings and ensure a safe shooting area before use.
- If you experience any malfunctions, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. Prepare Your Workspace:

- Ensure you have a clean, dry workspace free from distractions.
- Gather all necessary tools, including a screwdriver.

2. Remove the Action:

- Carefully remove the action from your Ruger American firearm according to the manufacturer's instructions.

3. Install the Chassis:

- Place the action into the ACC Premier Gen 2 System chassis.
- Align the action with the chassis mounting points.

4. Secure the Action:

- Tighten the two screws provided to secure the action in place.
- Ensure that the action is firmly attached without overtightening.

5. Attach Accessories:

- If desired, attach bipods or tripods to the integrated ARCA rail for enhanced stability.
- Adjust the forend as necessary to accommodate your barrel length.

6. Final Check:

- Inspect the installation to ensure everything is secure and correctly aligned before use.

Usage

- Adjust your hand position, cheek weld, and length of pull to achieve a comfortable shooting stance.
- Regularly check the stability of the chassis during use, especially when mounted on barricades or other props.
- Utilize optional accessories to enhance functionality as needed.

Disposal Instructions

- Dispose of the ACC Premier Gen 2 System in accordance with local regulations for electronic and aluminum waste.
- Remove any accessories or attachments before disposal.
- Do not dispose of your product in household waste; refer to local waste management guidelines for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or functionality, please consult the manufacturer's website or contact a qualified professional. Always ensure that you have access to updated safety information and recall notices through official channels.

By following these guidelines, you can enjoy a safe and effective shooting experience with your ACC Premier Gen 2 System. Thank you for prioritizing safety and compliance.
