

# ACC Premier Gen 2 System Ruger American - SA - RH CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available. Upgrade your rifle with ease and hit the range in no time. Simply drop your action into place and tighten two screws. No need for complicated gunsmithing.

# ACC Premier Gen 2 System Safety Instruction Guide

## Introduction

Thank you for choosing the ACC Premier Gen 2 System Ruger American SA RH CCG. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this document carefully before using the system.

## General Safety Guidelines

To ensure your safety and the safety of others while using the ACC Premier Gen 2 System, please adhere to the following guidelines:

- Always handle the chassis system as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the system is used only by individuals who are familiar with firearms and their operation.
- Store the chassis system in a secure place, away from unauthorized users, especially children.
- Regularly inspect the chassis for signs of wear or damage before each use.
- Never modify the chassis system in any unauthorized manner.
- Use only compatible accessories and components as specified by the manufacturer.

## Specific Safety Precautions for Use

When using the ACC Premier Gen 2 System, it is important to observe the following precautions:

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the shooting area is clear of people and obstructions.
- Be aware of your surroundings and know the range rules.
- Avoid using the chassis system in adverse weather conditions that may affect performance and safety.
- Do not exceed the manufacturer's recommended specifications for weight and barrel length.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

Follow these steps to safely install and use your ACC Premier Gen 2 System:

### 1. Installation:

- Ensure the rifle is unloaded and the action is open.
- Place the action of your Ruger American into the chassis.
- Align the action with the mounting points of the chassis.
- Secure the action in place by tightening the two screws provided.
- Confirm that the action is firmly attached and does not move.

### 2. Usage:

- Adjust the forend to accommodate your shooting style and comfort.
- Finetune the hand position, cheek weld, and length of pull according to your preference.
- Use the integrated ARCA rail to attach bipods or tripods for enhanced stability.
- Always check the stability of the setup before shooting.

## Disposal Instructions

When the ACC Premier Gen 2 System reaches the end of its life cycle, please dispose of it responsibly:

- Do not dispose of the chassis system in regular household waste.
- Check local regulations for proper disposal methods of aluminum and other materials.
- If applicable, return the product to the manufacturer or authorized dealer for recycling.

## Contact Information for Further Support

For any safety inquiries or assistance regarding the ACC Premier Gen 2 System, please refer to the manufacturer's contact point provided in the product documentation.

Please remember: Safety is your responsibility. Always prioritize safe handling and usage of firearms and their components. Thank you for your attention to these important safety guidelines. Enjoy your shooting experience with the ACC Premier Gen 2 System!
