LSS Gen3 SA MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the LSS Gen3 SA MDT Chassis. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis system. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always handle the chassis with care to avoid injury.
- Ensure that the chassis is compatible with your specific rifle model.
- Inspect the chassis for any signs of damage before use.
- Do not attempt to modify the chassis in any way that is not recommended by the manufacturer.
- Always use protective gear, including eye protection, when handling firearms.
- Keep the chassis and all firearm components out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Specific Safety Precautions for Use

- Ensure the rifle is unloaded before attaching or detaching the chassis.
- Follow all manufacturer instructions for the installation of the chassis and its components.
- When adjusting the chassis, ensure that all parts are securely fastened before use.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Regularly check and maintain the chassis to ensure it remains in safe working order.
- If you notice any unusual sounds or movements while using the chassis, stop use immediately and inspect for issues.

Instructions for Installation and Usage

Installation

1. Prepare Your Workspace

- Ensure you have a clean, welllit area to work.
- Gather all necessary tools and components.

2. Remove the Existing Stock

- Unload the rifle completely.
- Follow the manufacturer's instructions to remove the existing stock.

3. Attach the Chassis

- Align the rifle action with the chassis.
- Secure the action in place using the provided screws and tools.
- Ensure all screws are tightened according to the manufacturer's specifications.

4. Install Additional Components

- Attach your chosen forend, buttstock interface, buttstock, and grip.
- Ensure that all components are compatible and securely fastened.

5. Final Inspection

- Check all connections and adjustments.
- Ensure the rifle is functioning properly before use.

Usage

- Always follow safe firearm handling practices.
- Use the chassis as intended for competition, hunting, or tactical situations.
- Adjust the chassis components as needed to fit your shooting style and comfort.
- Regularly practice with your setup to ensure familiarity and safety.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, contact your local waste management authority for proper disposal methods.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the LSS Gen3 SA MDT Chassis, please refer to the manufacturer's official contact channels. Ensure all inquiries are directed to an EUbased contact for compliance with safety regulations.

By following these guidelines, you contribute to a safer environment for yourself and others while enjoying your LSS Gen3 SA MDT Chassis. Thank you for your attention to safety.
