

ACC Premier Gen 2 System - CZ 457 - RH - MDT Chassis - ACC Premier Gen2 System - Ruger 10-22 - RH - FDE - Volquartsen

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

Safety Instruction Guide for ACC Premier Gen 2 System

Introduction

Thank you for choosing the ACC Premier Gen 2 System. This guide provides essential safety instructions to ensure the safe use of your product. Please read this guide thoroughly to understand how to operate, install, and maintain your chassis system safely.

General Safety Guidelines

- Always handle the product with care to prevent accidents or injuries.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly check the product for wear and tear, and replace any damaged parts immediately.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before using the ACC Premier Gen 2 System, ensure all components are securely attached and functioning properly.
- Use the product only with compatible rifles as specified by the manufacturer.
- Always wear appropriate eye and ear protection when using firearms.
- Do not modify the product in any way that may compromise its safety or functionality.
- Ensure that the shooting area is clear of bystanders and that you have a proper backstop.
- Be aware of your surroundings and always follow local laws and regulations regarding firearm use.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure you have a clean, flat workspace.
- Gather all necessary tools, including a screwdriver.

2. Inserting the Action:

- Remove the action from your rifle according to the manufacturer's instructions.
- Align the action with the chassis system.
- Carefully drop the action into place.

3. Securing the Action:

- Tighten the two screws provided with the chassis to secure the action.
- Ensure the action is firmly in place before proceeding.

4. Adjustments:

- Adjust the length of pull, cheek weld, and hand position to suit your comfort.
- Check that all adjustments are secure before use.

5. Accessory Installation:

- If using bipods or tripods, attach them to the integrated ARCA rail.
- Ensure all accessories are securely fastened before use.

Usage Instructions

- Always follow safe firearm handling practices.
- Before firing, ensure the rifle is pointed in a safe direction.
- Check the chamber to confirm it is clear before loading ammunition.
- After use, clean the chassis and check for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where possible.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For additional support or inquiries regarding safety, please contact your local distributor or refer to the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for your attention to these important guidelines.
