

ACC Premier Gen 2 System - CZ 457 - RH - MDT Chassis - ACC Premier Gen2 System - Tikka T1X - Rimfire - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

ACC Premier Gen 2 System Safety Instructions

Introduction

Thank you for choosing the ACC Premier Gen 2 System for your shooting needs. This product is designed for precision and stability, enhancing your shooting experience. However, safety is paramount. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Inspect the ACC Premier Gen 2 System before each use for any signs of damage or wear.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay updated on product recalls or safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded when installing or adjusting the ACC Premier Gen 2 System.
- Avoid using the product in wet or damp conditions to prevent corrosion and malfunction.
- Do not exceed the manufacturer's recommended weight limits for accessories.
- Be cautious of your surroundings and ensure a clear shooting area to prevent accidents.
- Regularly check all screws and fittings to ensure they are tight and secure.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Place the action of your firearm into the MDT ACC Premier Gen 2 Chassis.
- Align the action with the chassis and ensure it fits securely.
- Tighten the two screws provided to secure the action in place. Do not overtighten.
- Check that the action is firmly held in the chassis before proceeding.

2. Usage

- Adjust the cheek weld, length of pull, and hand position according to your comfort.
- Ensure that all accessories are securely attached and do not interfere with the operation of the firearm.
- Use the fulllength integrated ARCA rail for mounting bipods and tripods to enhance stability.
- Regularly practice safe shooting habits and familiarize yourself with the product's features.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearms components.
- Remove any accessories or parts that can be recycled separately.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries or support regarding the ACC Premier Gen 2 System, please refer to the manufacturer's contact information provided with your product. Ensure that you have the model details and any relevant information on hand for efficient assistance.

By following these safety instructions, you can enjoy the benefits of the ACC Premier Gen 2 System while ensuring a safe shooting environment. Always prioritize safety and responsibility in all shooting activities.
