

# 6-36x56 PM II High Performance - 6-36x56 PM II High Performance LPI MSR2 0,05 mrad ccw MT II MTC LT / DT II+ ZC LT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 6-36×56 PM II High Performance from Schmidt and Bender is a benchmark optic engineered for serious medium- to extreme-long-range shooting. With its expansive 6–36× magnification range and a generous 56 mm objective lens, it delivers exceptional clarity, reach and flexibility for demanding applications.

Crafted on a robust 34 mm main tube, the scope is compact in length (approx. 390 mm) and relatively light for its class (around 940 g), yet built with the ruggedness and precision befitting the PM II series. The first-focal-plane (FFP) reticle ensures accurate hold-overs, ranging and subtensions at every magnification level. With a transmission rating of well over 90 %, the optical system offers bright, high-resolution imagery critical for target recognition at extended distances.

Its field of view spans about 7.3–1.3 m @100 m, and the exit pupil ranges from approximately 8.3–1.6 mm, providing both wide situational awareness at lower magnification and finely-detailed views at higher zoom levels. The eye relief is approximately 90 mm, ensuring comfortable viewing across shooting positions.

The turret system features ultra-fine 0.1 mrad click values, and the internal adjustment ranges exceed 40 mrad, giving the shooter a massive envelope for elevation and windage correction. The scope's innovative "LPI" (Illuminated-Parallax-Integrated) system enhances usability, including left-hand shooter compatibility and more mounting flexibility.

Key Specifications:

Magnification: 6–36×  
Objective Lens Diameter: 56 mm  
Main Tube Diameter: 34 mm  
Field of View: approx. 7.3–1.3 m @100 m  
Exit Pupil: approx. 8.3–1.6 mm  
Eye Relief: approx. 90 mm  
Transmission: >90%  
Click Value: ~0.1 mrad  
Length: approx. 390 mm  
Weight: approx. 940 g

Designed and manufactured in Germany with highest precision, the 6-36×56 PM II High Performance is ideal for professionals, competition marksmen or hunters seeking top-tier optical clarity, mechanical integrity and flexibility across distances that demand elite performance.

## Attributes

- Name: [6-36x56 PM II High Performance LPI MSR2 0,05 mrad ccw MT II MTC LT / DT II+ ZC LT](#)
- Manufacturer: [SCHMIDT U. BENDER](#)
- Product no.: EU2015903
- Mfr. No.: 163-911-862-I5-H5

NO IMAGE  
AVAILABLE

- Colour: Black
- Delivery weight: 2kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 450mm
- EAN: 4060537069327

# Safety Instruction Guide for the 6-36x56 PM II High Performance

## Introduction

Thank you for choosing the 6-36x56 PM II High Performance scope from Schmidt and Bender. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully to understand the necessary precautions and procedures.

## General Safety Guidelines

- **Product Safety:** This product is designed to meet high safety standards. Ensure you use it according to the instructions to avoid any potential hazards.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Please stay informed about any updates regarding your product.
- **Online Shopping:** If purchased online, you are entitled to the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Stay updated on product safety through the Safety Gate system, which provides timely alerts on unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The scope contains small parts that may pose a choking hazard to children.
  - Improper use may lead to accidents, including eye injuries or damage to the scope.
- **Avoiding Hazards:**
  - Always use the scope in a safe environment away from children and pets.
  - Ensure the scope is securely mounted before use to prevent it from falling or detaching.
  - Do not look directly at the sun through the scope, as this can cause severe eye damage.
  - Use the scope only for its intended purpose, which is for aiming and targeting in shooting activities.
- **Age Specific Warnings:**
  - This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised when using or handling the scope.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure the mounting surface is clean and dry.
  - Securely attach the scope to the rifle using the appropriate mounting rings and tools.
  - Confirm that the scope is level and aligned with the rifle before tightening the mounts completely.
- **Usage:**
  - Adjust the magnification according to your needs by rotating the magnification ring.
  - Focus the reticle by adjusting the ocular lens until the reticle appears sharp and clear.
  - Use the turret adjustments to calibrate for elevation and windage as necessary.
  - Maintain a proper eye relief of approximately 90 mm to avoid any recoil-related injuries.
  - After use, ensure the scope is cleaned and stored in a safe, dry place.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and optical devices.
- Do not dispose of the scope in regular household waste. Instead, take it to a designated electronic recycling facility.

## **Contact Information for Further Support**

For any questions, concerns, or further support regarding the 6-36x56 PM II High Performance scope, please contact the appropriate support channels as indicated on the product packaging or user manual.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 6-36x56 PM II High Performance scope. Thank you for your attention to these important safety measures.
