

1500 Barrelled Action - Howa Sporter Barrelled Action Blued Finish - 6mm Creedmoor

The Howa Sporter Barrelled Action Blued Finish - 6mm Creedmoor in the versatile 6mm Creedmoor chambering is the perfect foundation for building an ultra-compact, lightweight, and highly accurate bolt-action rifle.

Featuring the legendary Howa 1500 action, the bolt and receiver mechanism offer traditional rock-solid reliability, smooth cycling, and exceptional strength for consistent sub-MOA long-range precision.

Legendary Howa 1500 Platform: Dual-lug bolt design with a smooth 90-degree throw ensures maximum strength, reliability, and precision.

#2 Barrel Profile: The 22" barrel with a #2 Sporter profile delivers a perfect balance of excellent maneuverability, weight reduction, and inherent sub-MOA precision. Features a pre-cut 1/2"-20 UNF muzzle thread for easy attachment of suppressors or muzzle brakes.

Classic Blued Finish: A deep black blued finish provides reliable protection against the elements while maintaining a sleek, traditional look.

High-Capacity Detachable Magazine: Comes equipped with a removable 5+1 Magazine — ideal for dynamic shooting disciplines and extended range sessions.

Versatile Twist Rate: The 1-7.5" twist rate stabilizes a broad spectrum of light-to medium-weight 6mm Creedmoor projectiles flawlessly.

Howa 1500 Barrelled Action Safety Instruction Guide

Introduction

Thank you for choosing the Howa 1500 Barrelled Action Howa Sporter Barrelled Action Blued Finish 6mm Creedmoor. This guide provides essential safety instructions to ensure the safe use and maintenance of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Howa 1500 Barrelled Action by following all safety guidelines. This product is designed for nonfood use and must be handled responsibly.
- **Enhanced Recalls:** Stay informed about potential recalls. In the event of a recall, standardized notices will be issued, and remedies will be provided for dangerous products.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements equivalent to physical stores.
- **Special Consumer Focus:** Extra caution should be taken around vulnerable groups, including children. Keep this product out of reach of children at all times.
- **EU Contact Point:** For safety inquiries, please refer to the EU-based contact provided at the point of sale or on the product packaging.
- **Rapid Alerts:** Be aware that updates regarding unsafe products will be communicated through the Safety Gate system. Regularly check for any alerts related to your product.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand this safety instruction guide before using the product.
- **Wear Protective Gear:** Use appropriate protective gear, including eye protection and hearing protection, while using the rifle.
- **Check Local Laws:** Ensure compliance with local laws and regulations regarding firearm ownership and usage.
- **Inspect Before Use:** Conduct a thorough inspection of the barrelled action before each use to ensure it is in proper working condition.
- **Avoid Modifications:** Do not alter or modify the barrelled action in any way, as this may compromise its safety and performance.
- **Proper Handling:** Always treat the rifle as if it is loaded. Keep the muzzle pointed in a safe direction and your finger off the trigger until ready to shoot.
- **Storage:** Store the barrelled action in a secure location, preferably locked, to prevent unauthorized access.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure you have a clean and safe workspace.
 2. Follow the manufacturer's instructions for attaching the barrelled action to a compatible stock or chassis.
 3. Ensure all screws and fastenings are tightened securely but do not overtighten, as this may damage components.
- **Usage:**

1. Load the magazine with appropriate 6mm Creedmoor ammunition.
2. Insert the magazine into the rifle until it clicks into place.
3. To chamber a round, pull the bolt back and push it forward until it locks into place.
4. Always check the safety mechanism before firing. Make sure the safety is engaged until you are ready to shoot.
5. Fire only in designated shooting areas and ensure a clear line of sight.

Disposal Instructions

- **Disposal of Unused Ammunition:** Follow local regulations for the disposal of any unused or expired ammunition. Do not throw ammunition in regular waste.
- **Barrelled Action Disposal:** If you need to dispose of the barrelled action, contact a licensed firearms dealer or local authorities for safe disposal methods.
- **Recycling:** Check local guidelines for recycling metal components of the barrelled action, if applicable.

Contact Information for Further Support

For any questions or concerns regarding the Howa 1500 Barrelled Action, please refer to the contact information provided at the point of sale or on the product packaging. Always ensure that you are seeking assistance from authorized and knowledgeable sources.

By adhering to these safety guidelines, you can ensure a safe and enjoyable experience with your Howa 1500 Barrelled Action. Thank you for your attention to safety.
