

# Ballistics Weather Meters - Ruger Kestrel 5700 Elite Weather Meter with Applied Ballistics with LiNK

[Gunsmith Tools](#) > [Measuring Tools](#)

The Ruger Kestrel 5700 Elite is the ultimate ballistic calculator, engineered specifically for Ruger enthusiasts. Featuring a preloaded library of Ruger rifles and match-grade ammunition along with integrated Applied Ballistics® technology, it delivers highly accurate wind and elevation solutions for long-range shooting.

## Key Features:

- Preloaded Ruger rifle and ammunition profiles: Easy setup through the free Kestrel LiNK Ballistics App
- Storage for up to 30 rifle profiles: Compatible with virtually any rifle and ammunition combination
- Advanced target cards: Supports up to 30 target segments and 10 custom targets
- Real-time environmental analysis: Automatically updates ballistic solutions based on current conditions—no re-zeroing required when changing elevation
- LiNK Bluetooth® connectivity: Wireless synchronization with mobile devices and compatible laser rangefinders
- Easy operation and calibration: Step-by-step guided setup and muzzle velocity calibration without a chronograph

# Safety Instruction Guide for the Ruger Kestrel 5700 Elite Weather Meter

## Introduction

Thank you for choosing the Ruger Kestrel 5700 Elite Weather Meter. This product is designed to provide you with accurate ballistic calculations and environmental data for longrange shooting. To ensure your safety and the effective use of this device, please read and follow the safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** This weather meter is designed for safe use. Always follow the instructions to avoid risks.
- **Enhanced Recalls:** In case of a product recall, updates will be provided through standardized notices.
- **Online Shopping:** If purchased online, ensure that the seller meets the safety requirements outlined by EU regulations.
- **Special Consumer Focus:** Extra precautions should be taken if the device is used by children or vulnerable individuals.
- **EU Contact Point:** For safety inquiries, ensure you have access to the EUbased contact information.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- Do not expose the device to extreme temperatures or moisture.
- Avoid dropping or subjecting the device to strong impacts.
- Regularly check for software updates to ensure optimal performance.
- Use the device in accordance with the manufacturer's guidelines to prevent malfunctions.
- Keep the device out of reach of children unless supervised by an adult.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the device from its packaging and check for any visible damage.
2. **Charging:** Ensure the device is fully charged before first use. Connect it to a power source using the provided charging cable.
3. **Setup:**
  - Download the free Kestrel LiNK Ballistics App on your mobile device.
  - Follow the app's instructions to connect the device via Bluetooth.
  - Input your rifle and ammunition details into the app.
4. **Calibration:**
  - Perform a muzzle velocity calibration as instructed in the app.
  - Ensure that you are in a safe environment when calibrating.
5. **Using the Device:**
  - Turn on the device and select the desired settings.
  - Monitor realtime environmental data and make adjustments as necessary.
  - Always doublecheck your ballistic solutions before shooting.
6. **Maintenance:**
  - Clean the device with a soft, dry cloth.
  - Store in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the device in accordance with local electronic waste disposal regulations.
- Do not throw the device in regular household waste.
- Remove batteries if applicable and recycle them according to local guidelines.

## **Contact Information for Further Support**

For any inquiries or support regarding the Ruger Kestrel 5700 Elite Weather Meter, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Enjoy your Ruger Kestrel 5700 Elite Weather Meter responsibly and safely.
