

Ballistics Weather Meters - Kestrel 5700X WEZ Weather Meter With Applied Ballistics - Berry Compliant

[Shooting Accessories](#) > [Windmeters & Flags](#) > [Windmeters](#)

We are proud to introduce the all-new Kestrel 5700X WEZ. Equipped with the Applied Ballistics® Elite Solver and advanced Weapon Employment Zone (WEZ) analysis, the Kestrel 5700X WEZ helps shooters optimize their weapon systems, ammunition, and shooting skills to achieve the highest level of precision.

The Kestrel WEZ transforms shooting performance through integrated statistical analysis designed to maximize Probability of Hit (P-HIT) while increasing shooter confidence. With the Kestrel 5700X WEZ, users can quantify hit probability for a specific target at single or multiple distances and across multiple firearm profiles.

Like all Kestrel weather meters, the Kestrel WEZ features an intuitive, field-proven interface that ensures seamless operation without the need for additional electronics for weapon testing or real-world shooting applications. The Kestrel WEZ delivers the critical data shooters need to perform with accuracy, consistency, and confidence.

Kestrel 5700X WEZ Weather Meter Safety Instruction Guide

Introduction

Thank you for choosing the Kestrel 5700X WEZ Weather Meter with Applied Ballistics. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your weather meter. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** The Kestrel 5700X WEZ is designed to meet high safety standards. Always ensure safe use and handling.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be provided, and remedies will be available at no cost.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when the product is used by children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, an EU-based contact is available.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Extreme Conditions:** Do not expose the Kestrel 5700X WEZ to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- **Handle with Care:** The device is sensitive. Avoid dropping or shaking it to prevent internal damage.
- **Battery Safety:** Use only the recommended battery type. Do not mix old and new batteries. Dispose of batteries properly.
- **Calibration:** Regularly calibrate your device according to the manufacturer's instructions to ensure accurate readings.
- **Use in Appropriate Environments:** The Kestrel 5700X WEZ is intended for outdoor use. Avoid using it in environments that may compromise its performance.

Instructions for Installation and Usage

1. Unpacking the Device:

- Carefully remove the Kestrel 5700X WEZ from its packaging.
- Inspect for any visible damage. If damaged, do not use the device and contact the retailer.

2. Installing the Battery:

- Open the battery compartment located on the back of the device.
- Insert the battery according to the polarity indicated inside the compartment.
- Close the battery compartment securely.

3. Turning on the Device:

- Press the power button to turn on the Kestrel 5700X WEZ.
- Allow the device to initialize, which may take a few moments.

4. Setting Up for Use:

- Navigate the intuitive interface to set your desired parameters.
- Familiarize yourself with the various functions, including wind speed, temperature, and ballistic calculations.

5. **Using the Device:**

- Hold the Kestrel 5700X WEZ steady while taking measurements.
- Follow the onscreen instructions to optimize your shooting performance.

6. **Turning off the Device:**

- Press the power button to turn off the device when not in use.
- Store the Kestrel 5700X WEZ in a protective case to prevent damage.

Disposal Instructions

- **Battery Disposal:** Dispose of batteries in accordance with local regulations. Do not dispose of batteries in regular household waste.
- **Device Disposal:** When the Kestrel 5700X WEZ reaches the end of its life, dispose of it responsibly. Follow local electronic waste disposal guidelines to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Kestrel 5700X WEZ Weather Meter, please refer to the manufacturer's website or customer service for assistance.
