# Heads Up Display Kestrel HUD Picatinny Mount Replacement Safety Instructions

## Introduction

Thank you for choosing the Kestrel HUD Picatinny Mount Replacement 0761MT. This robust accessory is designed to securely attach your Kestrel HUD HeadsUp Display to a Picatinny rail, enhancing your shooting experience by providing clear visibility of environmental data. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

To ensure your safety while using the Kestrel HUD Picatinny Mount Replacement, please adhere to the following guidelines:

- Always inspect the mount for any visible damage before installation.
- Ensure that the mount is compatible with your specific Kestrel model.
- Keep this product out of reach of children and vulnerable individuals.
- Avoid using the mount in conditions that may compromise its stability or integrity.
- Regularly check the mount for wear and tear, and replace it if necessary.

## Specific Safety Precautions for Use

When using the Kestrel HUD Picatinny Mount Replacement, please observe the following precautions:

- **Secure Attachment:** Ensure that the mount is securely attached to the Picatinny rail before use. A loose mount can lead to accidents or equipment failure.
- **Environmental Conditions:** Do not use the mount in extreme weather conditions that may affect its performance, such as heavy rain, snow, or extreme heat.
- **Avoid Overloading:** Do not exceed the weight limit of the mount. Refer to the manufacturer's specifications for weight capacity.
- **Regular Maintenance:** Periodically check the mount for signs of damage or wear. If any issues are found, discontinue use immediately and seek a replacement.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the Kestrel HUD Picatinny Mount Replacement:

### 1. Preparation:

- Gather all necessary tools for installation (if required).
- Ensure that the Picatinny rail and the mount are clean and free from debris.

### 2. Installation:

- Align the mount with the Picatinny rail, ensuring that it fits securely.
- Secure the mount using the appropriate screws or clamps, following the manufacturer's instructions.
- Doublecheck that the mount is firmly attached and does not move.

### 3. Usage:

- Attach your Kestrel HUD to the mount according to the device's user manual.
- Ensure that the HUD is properly secured and positioned for optimal visibility.

- During use, periodically check the stability of the mount and the HUD.

#### **4. PostUse Care:**

- After use, remove the HUD from the mount if not needed.
- Store the mount in a dry and safe location to prevent damage.

## **Disposal Instructions**

When it comes time to dispose of the Kestrel HUD Picatinny Mount Replacement, please follow these guidelines:

- Do not dispose of the mount in household waste.
- Check local regulations for proper disposal methods of electronic accessories and materials.
- If applicable, recycle the mount at designated recycling centers to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Kestrel HUD Picatinny Mount Replacement, please refer to the manufacturer's contact details provided in the product documentation or on the manufacturer's website.

By adhering to these safety instructions, you can ensure a safe and effective experience with your Kestrel HUD Picatinny Mount Replacement. Thank you for prioritizing safety!
