

Accessories - Kestrel DROP - Nitelze 4" Gear Tie Mountable

[Shooting Accessories](#) > [Windmeters & Flags](#)

The Nite Ize 4 Inch Gear Tie Mountable is a versatile, reusable cable tie that adheres to most smooth, flat surfaces. Thanks to 3M® Acrylic Plus Tape™, it can be mounted almost anywhere, whether indoors or outdoors—even in extreme temperatures. The rubber housing provides a strong grip, while the durable inner wire ensures stability. It can be removed without causing damage.

Safety Instruction Guide for Nite Ize 4 Inch Gear Tie Mountable

Introduction

Thank you for choosing the Nite Ize 4 Inch Gear Tie Mountable. This versatile and reusable cable tie is designed for easy installation on various surfaces. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with improper use.
- Regularly check for product recalls on the EU Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.
- Keep the product out of reach of children to avoid potential hazards.

Specific Safety Precautions for Use

- Do not use the Gear Tie in situations where it may be subjected to extreme stress or weight beyond its capacity.
- Avoid using the product in environments with high humidity or exposure to chemicals that could degrade the materials.
- Ensure that the surface where the Gear Tie is mounted is clean and dry to provide optimal adhesion.
- Do not use the Gear Tie with electrical wires or in applications where it could cause a short circuit.
- Regularly inspect the Gear Tie for signs of wear or damage. If damaged, discontinue use immediately.

Instructions for Installation and Usage

1. Preparation:

- Clean the surface where you intend to mount the Gear Tie. Ensure it is smooth, flat, and free of dust or debris.
- Allow the surface to dry completely before proceeding.

2. Mounting:

- Remove the protective backing from the 3M® Acrylic Plus Tape™ on the Gear Tie.
- Firmly press the Gear Tie onto the prepared surface, applying even pressure for at least 30 seconds to ensure proper adhesion.
- Allow the adhesive to set for at least 24 hours before using the Gear Tie for holding or securing items.

3. Using the Gear Tie:

- To use the Gear Tie, simply wrap it around the items you wish to secure.
- Twist the Gear Tie to tighten and hold the items in place.
- For removal, gently untwist the Gear Tie and pull it away from the surface. It can be removed without causing damage.

4. Removal and Reuse:

- If you need to relocate the Gear Tie, gently peel it off the surface.

- Clean the surface of any adhesive residue before reapplying the Gear Tie elsewhere.
- Store the Gear Tie in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the Gear Tie in accordance with local waste management regulations.
- Do not dispose of the product in household waste if it is considered hazardous.
- Recycle any components that are recyclable, following local guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the Nite Ize 4 Inch Gear Tie Mountable, please refer to the manufacturer's website or customer service for assistance.
