# Safety Instruction Guide for Nite Ize SBiner Carabiner

## Introduction

Thank you for choosing the Nite Ize SBiner #2 to securely attach your Kestrel DROP to your backpack or belt. This guide provides important safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the SBiner is used only for its intended purpose of securing items.
- Regularly inspect the SBiner for any signs of wear or damage before each use.
- Keep the SBiner out of reach of young children to prevent accidental injury.
- Do not exceed the weight limit specified by the manufacturer to avoid breakage or failure.
- If you notice any unusual sounds or movements when using the SBiner, discontinue use immediately.

## Specific Safety Precautions for Use

- **Weight Limits:** Ensure that the combined weight of the items attached does not exceed the manufacturer's recommendations.
- **Locking Mechanism:** Always check that the locking mechanism is securely fastened before use. A loose or improperly secured gate can lead to accidental release.
- **Avoid Sharp Edges:** Be cautious when using the SBiner near sharp edges or abrasive surfaces that could damage the carabiner or cause injury.
- **Weather Conditions:** Avoid using the SBiner in extreme weather conditions that could affect its performance, such as high winds or heavy rain.
- **Personal Safety:** Always use the SBiner in a manner that does not put you or others at risk, especially when climbing or engaging in outdoor activities.

## Instructions for Installation and Usage

### 1. Attaching the SBiner:

- Open the stainless steel wire gate by pulling it away from the body of the SBiner.
- Securely attach one end of the SBiner to your Kestrel DROP.
- Close the gate until you hear a click, indicating it is locked in place.

### 2. Securing to a Backpack or Belt:

- Choose a suitable attachment point on your backpack or belt.
- Open the SBiner and hook it onto the chosen point.
- Ensure that the gate is fully closed and locked.

### 3. Removing the SBiner:

- To remove, simply open the gate by pulling it away from the body.
- Carefully detach the SBiner from both the Kestrel DROP and the backpack or belt.

### 4. Regular Maintenance:

- Clean the SBiner with mild soap and water to remove dirt or debris.
- Dry thoroughly before storing.

## **Disposal Instructions**

- Dispose of the SBiner responsibly in accordance with local waste management regulations.
- If the product is damaged or no longer usable, consider recycling it if possible, or dispose of it in an environmentally friendly manner.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Nite Ize SBiner #2, please refer to the manufacturer's contact information or visit their official website for support.

By following these guidelines and safety instructions, you can ensure a safe and effective experience with your Nite Ize SBiner #2. Thank you for your attention to safety!
