## Safety Instructions

### Introduction

Thank you for choosing the Kestrel General Compact Collapsible Tripod. This guide provides important safety instructions to ensure your safe and effective use of the tripod. Please read this document carefully before using the product.

### General Safety Guidelines

- **Product Safety:** The Kestrel Tripod is designed to be safe for use with all Kestrel wind meters and weather stations. Follow all instructions to minimize risks.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Please stay informed about product recalls.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when the product is used by children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

### Specific Safety Precautions for Use

- **Stability:** Always ensure that the tripod is set up on a stable and level surface to prevent tipping.
- **Weight Limit:** Do not exceed the weight limit specified for the tripod. Ensure that all attached equipment is securely fastened.
- **Avoid Overextension:** When adjusting the height, do not extend the legs beyond the maximum height limit to maintain stability.
- **Careful Handling:** Handle the tripod with care to avoid damage. Do not drop or throw the tripod.
- **Weather Conditions:** Avoid using the tripod in extreme weather conditions (e.g., strong winds, heavy rain) that could compromise its stability.

### Instructions for Installation and Usage

#### 1. Unpacking the Tripod:

- Carefully remove the tripod from its packaging.
- Check for any visible damage or missing parts. Do not use if damaged.

#### 2. Setting Up the Tripod:

- Extend the tripod legs by pulling them outward until they click into place.
- Adjust the height by loosening the fliplock levers, setting to the desired height, and then securely relocking the levers.

#### 3. Attaching Equipment:

- Use the adjustable clamp to attach your Kestrel wind meter or weather station.
- Ensure the clamp is securely fastened before use.

#### 4. Adjusting the Clamp:

- If using the Kestrel Rotating Vane Mount, remove the clamp by loosening the attachment screw.
- Attach the accessory directly to the mount as needed.

#### 5. **Packing Up:**

- When finished, carefully collapse the tripod by reversing the setup steps.
- Store in a dry place away from direct sunlight to maintain the integrity of the materials.

## **Disposal Instructions**

- **Environmental Responsibility:** Dispose of the tripod in accordance with local regulations.
- **Recycling:** If possible, recycle materials such as metal and plastic components.
- **Hazardous Waste:** Do not dispose of the tripod in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Kestrel General Compact Collapsible Tripod, please refer to the designated EU contact point for assistance.
