

Accessories - Kestrel General - Ultrapod Tripod

[Shooting Accessories](#) > [Windmeters & Flags](#)

The portable mini tripod provides a stable, wind-resistant base for Kestrel Vane Mounts or clamps. With three adjustable legs and non-slip vinyl feet, it ensures a secure stance even on uneven surfaces. The U-ball head allows easy tilt and rotation adjustment. Thanks to the durable hook-and-loop strap, the tripod can be attached to branches, railings, or backpacks.

Height (extended): 20 cm (8 inches)

Length (folded): 18 cm (7 inches)

Load capacity: Up to 2.7 kg (6 lbs)

Kestrel General Ultrapod Tripod Safety Instruction Guide

Introduction

Thank you for choosing the Kestrel General Ultrapod Tripod. This guide provides essential safety instructions to ensure safe and effective use of your tripod. It is important to follow these guidelines to prevent accidents and injuries.

General Safety Guidelines

- Ensure the tripod is used on a stable, flat surface to prevent tipping.
- Always check that the legs are fully extended and locked before use.
- Do not exceed the load capacity of 2.7 kg (6 lbs) to avoid damage or accidents.
- Keep the tripod away from children and vulnerable individuals to prevent misuse.
- Regularly inspect the tripod for any signs of wear or damage before use.
- If the tripod is damaged or malfunctioning, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Use the Uball head for tilt and rotation adjustments only when the tripod is securely positioned.
- Avoid placing the tripod in windy conditions or on unstable ground to prevent it from being blown over.
- Do not use the tripod for purposes other than those intended, such as climbing or as a support for heavy objects.
- Ensure that the hookandloop strap is securely fastened when attaching the tripod to branches, railings, or backpacks.
- Be aware of your surroundings when using the tripod, especially in crowded or busy areas.

Instructions for Installation and Usage

1. Setting Up the Tripod:

- Unfold the tripod legs and ensure they are fully extended.
- Adjust each leg to the desired height, ensuring they are locked in place.
- Check the stability of the tripod before mounting any equipment.

2. Attaching Equipment:

- Use the Uball head to attach your Kestrel Vane Mount or clamp securely.
- Adjust the tilt and rotation as needed, ensuring the equipment is stable before leaving it unattended.

3. Using the Tripod:

- Always monitor the tripod while in use, especially in outdoor conditions.
- If necessary, adjust the legs for uneven surfaces to maintain stability.

4. Folding and Storing:

- To fold the tripod, release the leg locks and collapse the legs carefully.
- Store the tripod in a dry, cool place to avoid damage.

Disposal Instructions

- Dispose of the tripod in accordance with local regulations regarding plastic and nylon materials.
- Do not dispose of the tripod in household waste; consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding the Kestrel General Ultrapod Tripod, please refer to the manufacturer's contact details provided with your product purchase.

Thank you for adhering to these safety instructions. Enjoy using your Kestrel General Ultrapod Tripod safely and effectively!
