Kestrel General Tactical MOLLE Carry Case Safety Instructions

Introduction

Thank you for choosing the Kestrel General Tactical MOLLE Carry Case. This product is designed to provide a safe and reliable transport solution for Kestrel measuring devices. Please read this safety instruction guide carefully to ensure the safe use and maintenance of your carry case.

General Safety Guidelines

- Always inspect the carry case for any signs of damage before use.
- Ensure that the carry case is used only for its intended purpose, which is to carry Kestrel measuring devices.
- Keep the carry case away from extreme temperatures, moisture, and direct sunlight to maintain its durability.
- Store the carry case in a cool, dry place when not in use.
- Be aware of your surroundings when using the carry case in tactical situations to avoid accidents.

Specific Safety Precautions for Use

- The carry case is designed for Kestrel devices with a 1inch (2.54 cm) Globe Stalk. Ensure that your device is compatible before use.
- Use caution when attaching the carry case to other gear using MOLLE/PALS compatibility. Ensure that all attachments are secure to prevent accidental detachment.
- Avoid overloading the carry case, as this may compromise its structural integrity.
- If the carry case becomes damaged, discontinue use immediately and replace it to ensure safety.

Instructions for Installation and Usage

1. **Check Compatibility:** Ensure your Kestrel device fits within the dimensions of the carry case.
2. **Secure Your Device:**
 - Open the carry case.
 - Place the Kestrel device inside the case, ensuring it is snug and secure.
 - Close the carry case to protect the device.
3. **Attaching to Gear:**
 - Identify the MOLLE/PALS webbing on your tactical gear.
 - Thread the carry case through the webbing, ensuring it is securely attached.
 - Pull on the carry case to ensure it is firmly in place.
4. **Transporting the Carry Case:**
 - Carry the case using the handle or attach it to your gear as needed.
 - Always check that the carry case is secure before moving.

Disposal Instructions

- Dispose of the carry case in accordance with local regulations.
- If the carry case is damaged beyond repair, please ensure it is disposed of in an environmentally friendly manner.
- Do not burn the carry case, as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Kestrel General Tactical MOLLE Carry Case, please refer to the EU contact point for product safety inquiries.

By following these safety instructions, you can ensure the safe and effective use of your Kestrel General Tactical MOLLE Carry Case. Thank you for your attention to safety.
