

## Accessories - Kestrel General - Tactical MOLLE Carry Case, Kestrel 5 Series, Berry Compliant TAN

[Shooting Accessories](#) > [Windmeters & Flags](#) > [Windmeters](#)

The Kestrel Tactical Pouch is the perfect transport solution for Kestrel measuring devices. Made from durable 500D Cordura® nylon and 200D Kevlar®, it provides reliable protection against wear and tear. Made in the USA, it impresses with durability and lightweight design.

The pouch is ideal for Kestrel devices with a 1-inch (2.54 cm) Globe Stalk, such as the Kestrel Heat Stress Tracker. Thanks to MOLLE/PALS compatibility, it can be attached to gear in multiple ways. Available in several colors, including black. Perfect for tactical use.

# Safety Instruction Guide for Kestrel General Tactical MOLLE Carry Case

## Introduction

Thank you for choosing the Kestrel General Tactical MOLLE Carry Case. This pouch is designed to provide a secure and durable transport solution for your Kestrel measuring devices. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** This pouch is made from highquality materials to ensure safe use. Regularly inspect the pouch for any signs of wear or damage.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Ensure you follow any instructions provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any safety alerts related to this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the weight limit of the pouch. Overloading can lead to damage or failure.
- **Check Compatibility:** Ensure that your Kestrel device is compatible with the pouch, particularly if it has a 1inch (2.54 cm) Globe Stalk.
- **Inspect Before Use:** Always inspect the pouch for any damage or wear before each use.
- **Use MOLLE/PALS Attachments Properly:** Ensure that the MOLLE/PALS attachments are secure before carrying the pouch.
- **Avoid Extreme Conditions:** Do not expose the pouch to extreme temperatures or harsh chemicals that may degrade the materials.

## Instructions for Installation and Usage

### 1. Attaching the Pouch:

- Identify the MOLLE/PALS webbing on your tactical gear.
- Slide the pouch onto the webbing, ensuring it is securely attached.
- Pull on the pouch to confirm it is firmly in place.

### 2. Loading the Pouch:

- Open the pouch and carefully place your Kestrel device inside.
- Ensure the device is snugly fit and does not move around inside the pouch.
- Close the pouch securely to protect the device.

### 3. Carrying the Pouch:

- When carrying the pouch, ensure that it is properly attached to your gear.
- Regularly check the attachment points to ensure they remain secure during use.

## Disposal Instructions

- **General Disposal:** Dispose of the pouch in accordance with local regulations for textile waste.
- **Recycling:** If possible, recycle the materials to minimize environmental impact.
- **Do Not Burn:** Do not incinerate the pouch, as burning may release harmful substances.

## Contact Information for Further Support

For any questions or concerns regarding the Kestrel General Tactical MOLLE Carry Case, please contact the retailer or manufacturer from whom you purchased the product. They will provide you with the necessary support and information.

Thank you for choosing Kestrel products. We appreciate your attention to safety and look forward to serving your needs.
